The OneStop Services Center is located just inside the front doors on the first floor. The building also houses many student-facing administrative functions such as Enrollment, Advising, Financial Services, Registrar, Student Support and Marketing.

**Educational Services Building**, completed in late 2006, is a 72,000-square-foot building connected to the Muller Administrative Services Building. Its classrooms, meeting rooms, and faculty offices serve the University's growing student and employee populations. The building is also home to the College of Science and Technology. Its proximity to the ASB allows students quick access to all support services.

**Baright Bookstore** was opened in February 2008, thanks to the generosity of the Hollis and Helen Baright Foundation. The 6,700-square-foot building is operated by Follett Corporation and specializes in textbooks, educational supplies, and Bellevue University branded clothing, and promotional items. The Bookstore is also accessible to online students, offering online ordering of required texts and materials at [efollett.com](http://efollett.com).

The center is also home to the Joyce Norene Wilson Art Gallery, in honor of Professor Wilson, who dedicated 42 years of service to the University prior to her retirement.

**Margre H. Durham Student Center** was dedicated in December 1986. The facility was originally known as the Richard D. Winchell Student Center. This facility has been remodeled twice to accommodate changing student needs. Most recently, a major upgrade completed for the 2011-2012 academic year includes a game room and a quiet

study lounge. The building is also available for rental to accommodate meetings, training, or private functions.

Under FERPA, a student may request that their directory information not be released. In doing so, directory information required for instances including, but not limited to, classroom administration and Internal Revenue Service remain exempt. Bellevue University does not assume any responsibility for contacting a student for ongoing permission to release directory information and does not assume liability for honoring a student's request to restrict disclosure of directory information. Please contact the Registrar's Office at [ssstudentrecordsteam@bellevue.edu](mailto:ssstudentrecordsteam@bellevue.edu) for more information on restricting directory information.

*Note: Those with restricted directory information wanting to participate at the graduation ceremony, please know the ceremony will be streamed live and will be available on our website for a period of time.*

As a part of FERPA policy, Bellevue University defines University official as: members of the University in an administrative, supervisory, academic, research, support position or a person employed by (or under contract to) the University to perform a special task, such as an agent, attorney or auditor. A University official has a legitimate interest if the official has the need to know within the limitations typically required to fulfill his or her official responsibilities or by a contract agreement related to a student's educational experience.

FERPA permits the disclosure of personally identifiable information from students' education records, without consent of the student, if the disclosure meets certain conditions found in 99.31 of the FERPA regulations. Except for disclosures to University officials, disclosures of directory information, and disclosures to the student, 99.32 of FERPA regulations require Bellevue University to record the disclosure. Eligible students have a right to inspect and review the record of disclosures.

A postsecondary institution may disclose personally identifiable information from the education records without obtaining prior written consent of the student:

1. The disclosure is to other school officials, including teachers, within the institution whom the institution has determined to have a legitimate educational interest.
2. The disclosure is to officials of another institution of postsecondary education where the student seeks or intends to enroll or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment transfer.
3. The disclosure is to authorized representatives of federal, state, or local educational authorities.
4. Disclosure is to the student.
5. In connection with the student's request for/receipt of financial aid.

  8. To accrediting organizations to carry out their functions.
  9. To the student's parents if they claim the student as a dependent for income tax purposes.
  10. To comply with a judicial order or lawfully issued subpoena.
- Note: The University will make a reasonable effort to notify the student or a designee of the order or subpoena in advance of compliance.*
11. To appropriate parties in a health or safety emergency.
  12. To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of 99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (99.31 9(a)(13))
  13. (99.31 (a)(14))
  14. (99.31 (a)(15))
  15. Information the school has designated as "directory information" under 99.37. (99.31 (a)(11))

## Inspection and Review of Educational Records

A student may inspect and review their education records upon request to the appropriate record custodian.

A student may submit a written request which identifies as precisely as possible the record or records they wish to inspect to the record custodian or an appropriate University staff member. The record custodian or staff member will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 45 days or less from the receipt of the request.

When records contain information about more than one student, the requesting student may inspect and review only the records which relate to them. Bellevue University reserves the right to refuse to permit a student to inspect the following:

- The financial statement of their parents.
- Letters and statements of recommendation for which the

student has waived their right of access, or which were placed in file before January 1, 1975.

- Records connected with an application to attend Bellevue University if that application was denied.
- Those records which are excluded from the FERPA definition of education records.

Bellevue University reserves the right to deny transcripts or copies of records not required to be made available by FERPA in any of the following situations:

- The student has an unpaid financial obligation to the University.
- There is an unresolved disciplinary action against the student.

## Types, Locations, and Custodians of Education Records

## Amendment of Educational Records

A student must ask the appropriate University official (Registrar or Chief Academic Officer) to amend a record. The student should identify the part of the record they want amended and specify why they believe it is inaccurate, misleading, or in violation of their privacy or other rights. Please note this procedure excludes grades. (See Grade Appeals on page 52 for more information.)

Bellevue University may comply with the request or decide not to comply. If the University decides not to comply, the student will receive notification of the decision and advice on their right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of their rights. Upon request to the Chief Academic Officer, the University will arrange for a hearing, and notify the student, reasonably in advance, of the date, place, and time of the hearing.

The hearing will be conducted by a hearing officer (who is a neutral party). The hearing officer may be an official of the institution. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend their educational records. Bellevue University will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.

If the University decides the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, we will notify the student that they have a right to submit a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision for placement in the record.

The statement will be maintained as part of the student's education records as long as the contested portion is maintained. If Bellevue University discloses the contested portion of the record, it must also disclose the statement. If Bellevue University decides the information is inaccurate, misleading, or in violation of the student's right of privacy, the University will amend the record and notify the student in writing that the record has been amended.

Contact the Registrar in writing with questions regarding FERPA or to file a complaint with the University.

## The Solomon Amendment

The Solomon Amendment (1998) is a federal law authorizing institutions that receive federal funding to allow the Department of Defense:

- Entry to campus
- Access to students on campus
- Access to lists containing recruiting information on students

The Solomon Amendment identifies certain information that military recruiters may request about students if the student is aged 17 years or older, and are registered for class(es). This information is known as Student Recruiting Information.

*This information includes only:*

- Name
- Address
- Telephone number
- Age
- Class level
- Academic major
- Place of birth
- Degrees received
- Most recent educational institution attended
- Email address

If the student restricts the release of directory information under FERPA, then the University may not release such information to the military either (FERPA supersedes the Solomon Amendment.) There are additional guidelines for the release of data. The Office of the Registrar authorizes all data released to the requesting units. Please refer any requests to the Registrar.

## Student Academic Honesty Policy

Academic honesty includes adherence to guidelines established by the instructor in a particular course for both individual and group work. It prohibits representing the work of others to be one's own (plagiarism); receiving unauthorized aid on an assignment (cheating); using similar papers or other work product to fulfill the obligations of different classes without the instructor's permission; tampering with library, computer, or student materials; or facilitating dishonesty by others.

In the event an instructor believes an incidence of academic

dishonesty occurred, the instructor will inform and discuss the incident with the student, including which disciplinary action, if any, he/she shall initiate. Penalties for academic dishonesty or plagiarism may include a grade of "F" on the work in question or for the course. In addition, if the student is engaged in academic dishonesty, they may be subject to disciplinary action including reprimand, suspension, and/or expulsion from the University. Policy Statement 1035 provides detailed information pertaining to academic honesty, including procedures for determining disciplinary action, and a student's right to appeal.

## Copyright Protection

It is the intent of Bellevue University that all members of the University community adhere to the provisions of the United States Copyright Law (Title 17, United States Code, Sect. 101, et seq.) 1980 Patent Law, and Off-Air Guidelines. The following policy statements and guidelines constitute a manual for anyone at the University who wishes to reproduce, alter, or perform works that are protected by copyright. Since copyright protection applies to a variety of creative works—printed materials, sound and video recordings, artworks, computer software, and others—this policy has been constructed to address issues related to particular types of media.

### What Copyright Is

Copyright is a form of legal protection for authors of original works, including literary, dramatic, musical, artistic, and other intellectual products. Publication is not essential for copyright protection, nor is the well-known symbol ©, however, pre-1976 works must be published and be identified as copyrighted in order to have copyright protection. Section 106 of the Copyright Act (90 Statute 2541) generally gives the owner of copyright the exclusive right to do and to authorize others to do the following:

1. Reproduce copies of the work.
2. Prepare derivative works based on the copyrighted work.
3. Distribute copies of the work by sale, rental, lease, or lending.
4. Publicly perform the work (if it is a literary, musical, dramatic, or choreographic work or a pantomime, motion picture or audiovisual work).
5. Publicly display the work (if it is a literary, musical, dramatic, choreographic, sculptural, graphic, or pictorial work—including the individual images of a film—or a pantomime).

The copyright owner retains these rights even when the work itself belongs to someone else. However, the rights are not absolute. They are subject to "Fair Use" limitations, which apply to all media, and medium-specific limitations. For further information, visit the Bellevue University Library's Copyright Center at [www.bellevue.edu/services/library.aspx](http://www.bellevue.edu/services/library.aspx).

Bellevue University subscribes to the Drug-Free Work Place Act of 1988 (34 CFR, Part 85, Subpart F), the Drug-Free

Schools and Communities Act Amendments of 1989 (Public Law 101-226), and section 5301 of the Anti-Drug Abuse Act of 1988. In the State of Nebraska, possession or use of alcohol by an individual under the age of 21 is illegal.

Bellevue University strictly prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol on its property or as part of any of its activities. The University will impose disciplinary sanctions on students and employees (consistent with local, state, and federal law), up to and including dismissal from the University or termination of employment and referral for prosecution, for violation of these standards of conduct. Disciplinary sanctions may include the completion of an appropriate rehabilitation program.

Possession or use of drugs/alcohol on University property is prohibited. Empty or partially empty containers, caps, or drug/ alcohol related items are considered possession. All drugs/ alcohol found in University facilities will be confiscated.

Policy Statement PS 11 Drugs and Alcohol is included in all pertinent school publications, including faculty/staff handbooks and the University's website: Drug and Alcohol Policy. Members of the University community who may need drug or alcohol abuse counseling may contact the Human Resources department or the Office of Student Affairs for appropriate referral.

Bellevue University is a tobacco-free institution. Therefore, tobacco products (including but not limited to cigarettes, pipes, hookahs, cigars, e-cigarettes, chew, snuff, snus, and other non-combustible tobacco products or devices) are prohibited in any campus building or on any campus grounds. Students found in violation of this policy may be subject to discipline up to and including expulsion. Legal tobacco products will be permitted in personal vehicles, but discretion must be practiced at all times.

The student shall specify what categories, if any, of their records are excluded from such permission; otherwise the permission will be deemed to be general. If the permission is limited, this fact may be noted on the release. Recognition of this right of confidence shall not, however, infringe on the right of an individual to express his or her unofficial personal judgment within a professional framework as to the student's ability and character based on personal knowledge and the public reputation the student may have made for themselves in the University community.

A student may obtain a copy of the University's FERPA policy from the Registrar's Office. The following are among the student's recognized responsibilities as a student:

It prohibits representing the work of others to be one's own (plagiarism); receiving unauthorized aid on an assignment (cheating); and using similar papers or other work product to fulfill the obligations of different classes without the instructor's permission.
- b. When a faculty member believes a student's conduct constitutes academic dishonesty, the faculty member will have a discussion with the student to give the student an opportunity to provide an explanation. If the student provides an adequate explanation to the satisfaction of the faculty member, the matter will be deemed resolved. If, in the opinion of the faculty member, an adequate explanation is not provided by the student, the faculty member may sanction the student in accordance with the Academic Dishonesty Penalties section below. The faculty member is responsible for documenting this decision and notifying the Dean of Students' Office. The Dean of Students' Office is responsible for notifying the student of the decision, the sanction being imposed, and the right to appeal.

### 4. Academic Dishonesty Penalties

- a. Penalties for academic dishonesty may include a warning, a grade of "F" on the work in question or for the course. These are the only penalties that a faculty member may unilaterally impose for an incident of academic dishonesty.

- b. Within fifteen (15) University business days upon receipt of the request for a grade appeal, the Dean or designee will contact the student. If a determination is not reached at this time, the Dean's contact with the student will give the timeline for review and determination of the grade appeal. A student may appeal the Dean's decision to the Executive Vice President for University and Academic Affairs (EVP), in writing, within fifteen (15) University business days of the decision by the Dean. The appeal of the Dean's decision will be considered only if one of the following conditions is met:

  - iii. The proper procedures were not followed. No procedural error shall invalidate the decision unless, in the judgment of the Vice President, the error caused substantial prejudice to/against the student.

## Discrimination and Harassment Policy

University policy PS 04 prohibits any act of discrimination or harassment against any individual associated with the University. In keeping with our educational mission, the University will foster open learning and working environments. To meet moral as well as legal obligations, the University has developed procedures to protect both students and employees from discrimination and harassment, as well as established an environment in which such unacceptable behavior will not be tolerated.

The University's ethical obligation to provide an environment that is free from discrimination and harassment and from the fear that it may occur is implicit. The entire collegiate community suffers when discrimination or harassment is allowed to pervade the academic atmosphere through neglect, or through the lack of programs designed to clarify appropriate professional behavior and promote understanding of what constitutes discrimination or harassment.

## Campus Safety-Reporting a Crime

It is the goal of Bellevue University to provide a secure, safe campus and work place for its students and employees. Students, faculty, and staff at Bellevue University who observe or are involved in any crime or incident on campus should report the incident to the Safety Office as soon as possible by calling 402-557-5000, by using one of the blue phones in the parking lots located on campus, or by filling out the Incident Report form at <http://www.bellevue.edu/footer/contact-us/incident-report>.

## Student Complaint Procedures

Bellevue University affirms the right to bring forth complaints and is committed to resolving these matters in a fair, equitable, and timely manner, so as to protect the rights of both the individual and the community.

This Complaint procedure applies to complaints that are not addressed by the Academic Appeals Procedures, Americans

with Disabilities Act, Student Academic Honesty (Plagiarism), Student Conduct Code, Sexual Harassment Policy, Student Records Policies, or any other existing formal procedure under which a complaint may fall.

Students are encouraged to attempt to resolve the issue directly with the member of the faculty, staff, or administration involved in an informal manner. If a satisfactory resolution cannot be reached informally, the student needs to submit the complaint to [https://bellevue-advocate.symplcity.com/public\\_report/index.php](https://bellevue-advocate.symplcity.com/public_report/index.php). After submitting the complaint the appropriate staff will be in contact within two business days.

If a satisfactory resolution is still not reached, the complaint may be submitted in writing to the appropriate University Vice President, whose decision will be final.

## Reporting and Disclosure of Information

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) is the landmark federal law, originally known as the Campus Security Act, that requires colleges and universities across the United States to disclose information about crime on and around their campuses. Bellevue University is in compliance with the Clery Act requirements by publishing this information online at <http://www.bellevue.edu/student-support/consumer-information/consumer-information>. Paper copies are located on-campus in the OneStop Welcome Center and Office of Student Affairs, or available by request from the Safety Administrator, who can be reached at 402-557-7079. For all disclosure information, please visit <http://www.bellevue.edu/student-support/consumer-information/consumer-information>.

## Electronic Device Expectations

Electronic devices, other than those approved for class, are not allowed during class time. All cell phones, pagers, music players, etc. need to be put on silent mode when in the classroom or library. If there are job related (on-call) or medical reasons (illness at home) to have the device active in the classroom/library, the instructor/librarian need to be informed. In those cases, if a student is contacted, they will be required to leave the classroom/library to have the conversation. Electronic devices are not allowed within the testing rooms of the test center at any time.

## Student Email Regulations

All Bellevue University students receive a lifetime email address. This is a secure email account and the primary method of communication with instructors and other University departments. Email is an official means for communication within Bellevue University. Therefore, the University has the right to send the student communications via email and the right to expect that those communications are received and read in a timely fashion.

University email accounts are assigned to all registered

students and alumni. All University communications will be sent to the student's official University email address. The student is expected to check their University email account on a frequent and consistent basis to stay current with University-related communications.

Faculty may determine how email will be used in their classes. Faculty may expect that the student's official email addresses are being accessed and faculty may use email for their courses accordingly.

The University recommends checking email once a week (at a minimum), in recognition that certain communications may be time-critical. Course specific requirements may necessitate the student access their email more frequently than once a week. The student needs to ensure there is sufficient space in their account to allow for email to be delivered. Emails that have been in the "trash can" for 30 days or more will automatically be removed.

The student may have email electronically redirected to another email address. To have email redirected from the official address to another email address (e.g., @aol.com, @hotmail.com), the student may do so, but at their own risk. The University will not be responsible for the handling of email by outside vendors or by departmental servers. Having email redirected does not absolve the student from the responsibilities associated with communication sent to their official email address.

In general, email is not appropriate for transmitting sensitive or confidential information unless its use for such purposes is matched by an appropriate level of security.

Confidentiality regarding student records is protected under the Family Educational Rights and Privacy Act of 1974 (FERPA). All use of email, including use for sensitive or confidential information, will be consistent with FERPA.

Email shall not be the sole method for notification of any legal action. While incidental personal use of email is acceptable, conducting business for profit using University resources is forbidden.

### Examples of Inappropriate Use

Use of the University's email system for inappropriate purposes is strictly prohibited. Inappropriate uses include, but are not limited to, the following examples:

- The creation and exchange of harassing, obscene, or threatening messages.
- The unauthorized exchange of proprietary information or any other privileged, confidential sensitive information.
- The creation and exchange of advertisements, solicitations, chain letters, and other unofficial, unsolicited email.
- The creation and exchange of information in violation of any laws, including copyright laws, or University policies.
- The knowing transmission of a message containing a computer virus.

- The misrepresentation of the identity of the sender of an email.
- The use or attempt to use the accounts of others without their permission.

Users who experience such inappropriate uses or who receive email related thereto, should immediately submit their concern to <https://bellevue-advocate.symplicity.com/public-report>. Material that is fraudulent, harassing, profane, obscene, intimidating, defamatory, or otherwise unlawful or inappropriate may not be sent by email or other form of electronic communication. Those that engage in this type of behavior will be considered in violation of the policy and may result in disciplinary action; including termination of the student's email account.

## Outreach and Partnerships

### Outreach Scholarship Initiatives

The University's South Omaha Outreach Scholarship Program has been successful in providing educational opportunities for underserved and underrepresented students in our community. This scholarship program is designed to enroll, retain, and educate residents of South Omaha, Bellevue, and the surrounding area. By participating in this scholarship program, students receive scholarship support and professional career development throughout the completion of their degree program.

The South Omaha Outreach Scholarship Program's focus is on providing support for traditional aged students who are financially underserved, with a strong preference for Latinos/ Hispanics.

The DREAM and Mike and Lin Simmonds Scholarships, were born out of the success of the South Omaha Outreach Scholarship Program, and at the behest of the scholarship donors and board members. These scholarships mainly target local students in the eastern counties of Nebraska and western counties of Iowa who are non-traditional age,

transfer students, single parents, first generation students, racial and/or ethnic minorities, and those who have the most financial need. These scholarships also provide all the support and services that the South Omaha Outreach Scholarship Program provides, but are able to serve a larger body of students throughout the entire local area.

All scholarship program students receive funding annually for up to five years or until the student completes their first bachelor's degree (whichever comes first).

Eligibility is determined by the following criteria:

- Student can be a first-time freshman, transfer, or continuing Undergraduate student already in attendance.
- Student must demonstrate financial need through the completion of the FAFSA each academic year.
- For the South Omaha Outreach Scholarship: Student must be a Nebraska resident residing within one of the following zip codes: 68105, 68106, 68107, 68108, and 68117 in Omaha; 68005, 68123, 68147, 68157, 68113 in Bellevue; 68127 in Ralston; 68133 in Papillion.
- For the Mike and Lin Simmonds Scholarship: Student must be a Nebraska resident residing within one of the following zip codes: 68104, 68110, 68111, 68112, 68131, 68132 in North Omaha; or Iowa resident residing in 51510 in Carter Lake, IA.
- Student needs to meet the minimum academic requirements for the scholarship.
- Student must plan on matriculating on a full-time basis throughout the duration of the scholarship.
- Student will be required to successfully complete a number of additional programmatic pieces each term in order to maintain the receipt of the scholarship.

First priority is given to ethnic/racial minorities, single parents and first generation students.

## Admission of International Students for Undergraduate Degrees

These guidelines and regulations apply to international students planning to study in the United States. If the student is an online international student studying from their home country, refer to the general undergraduate admission requirements. Students may not be residing in the U.S. while taking online classes if their status is F-1.

Bellevue University is authorized by the Department of Homeland Security to issue the student Certificate of Eligibility Form I-20 for study in the U.S. In compliance with the Immigration and Nationality Act, international students must be enrolled full time. If the student is an international student planning to attend Bellevue University classes in the U.S., they will need to apply for admission to Bellevue University as a full-time, transfer, or graduate student.

The Immigration and Nationality Act requires full-time attendance for all international students. An international student applying for admission to the University's

undergraduate degree programs should contact the Admissions Department. For specific information about admissions to graduate programs, please see the Admission Requirements for Master's Degrees section on page 22.

Visit [bellevue.edu/international](http://bellevue.edu/international) for information and application requirements.

To apply for admission as an international student, submit the following:

1. Completed Application Form.
2. Verification of funds (see admissions counselor for details).
3. Official WES or ECE transcript (see Foreign Credential Evaluation Process information on page 22).

Admission is considered when all of the above requirements are met.

Visit [bellevue.edu/international](http://bellevue.edu/international) for more information on International Programs.

## Foreign Credential Evaluation Process

A prospective student with foreign academic documentation will need to have that documentation evaluated by World Education Services (WES) or by Educational Credential Evaluators (ECE) prior to being accepted and matriculated at Bellevue University. Students will need to order course-by-course evaluations by WES or ECE if they have foreign university credits to transfer to Bellevue. Those without foreign university credits to transfer to Bellevue will need to order a document-by-document evaluation.

WES and ECE will verify institutional accreditation status and complete a course-by-course evaluation containing the following: a description of credentials, including name and year awarded, name of institution attended, and major or field of study. It also provides the U.S. equivalent for each credential and lists all postsecondary subjects with their corresponding value expressed in the terms of U.S. semester credit and grade equivalents.

WES evaluation/transcript can be ordered at [wes.org](http://wes.org). ECE evaluation/transcript can be ordered at [ece.org](http://ece.org). The websites explain what must be provided as well as costs.

## Admission Requirements for Non-Degree Seeking Students

University will be asked to provide documentation of high school completion. Please contact Enrollment Management for more information on the documentation that can be utilized to satisfy this requirement for non-degree seeking students. Students will be required to provide evidence that course prerequisites have been met in full upon registration.

Conditional admission allows the student to begin their course of study while continuing the application process. This admission status is temporary and students who fail to complete the admission process in the required time may be administratively withdrawn.

## Admission Requirements for Master's Degrees

Admission is considered when the applicant has met all requirements, and the University has received official and verified documents. The Graduate Enrollment Director reviews all completed applications. In special circumstances, the college Dean may recommend a conditional admission if the student has not yet been able to complete or fully satisfy all requirements. Students possessing a master's degree from a regionally accredited institution may be accepted without providing undergraduate transcripts. Select Graduate Majors may require submission of undergraduate transcripts.

## Admission of International Students for Master's Degrees

## Tuition for Undergraduate and Graduate Term-Based Programs for 2016-2017

To view tuition and fees for the current academic year, please log in at <http://www.bellevue.edu/admissions-tuition/tuition-fees/tuition-and-fees>.

## Refund Schedule for Tuition and Fees

The following refund schedules will be used to calculate refunds for all students who withdraw from class(es).

A student may find it necessary to withdraw/drop from the University before the end of a term or class. Withdrawals could impact student account, financial aid, tuition assistance, and veteran benefit status. The date that the student starts the withdrawal process and drop class(es) is the official withdrawal date for the class(es), and will be used to calculate the percentage of time the student was enrolled in the term and the percentage of tuition charged. The calculation will use the total number of calendar days attended divided by

the total number of calendar days of the enrollment period (minus authorized breaks of five days or more). If a student drops after the 60 percent point in the enrollment period, there is no tuition or fee refund; the student is responsible for the full amount.

Example (Traditional Based Student in 12-Week Session): Student A has total institutional charges of \$2,381, which include \$2,250 in tuition and fees and \$131 in books and/or supplies charged at the bookstore. The student enrolled in the Fall 12-Week session, but withdraws from all classes after attending for 26 days.

The 12-Week session is 83 calendar days in length. The student will be charged for (has earned) 31.33 percent of the tuition (26 days/83 days = 31.33 percent). The unearned percentage of tuition is 68.67 percent and will be credited off of the student's account.

Example (Flexxive Student): Student A has total institutional charges of \$2,000. The student enrolled in the Flexxive program, but withdraws from all classes after attending for 20 days. The Flexxive enrollment period is 182 calendar days in length. The student will be charged for (has earned) 11 percent of the tuition (20 days/182 days = 11 percent). The unearned percentage of tuition is 89 percent and will be credited off of the student's account.

## Refund Appeal Process

Some circumstances may warrant an exception from Bellevue University's published refund policy. In such cases, the student should send an appeal, including necessary documentation to:

Cathey Hanson, Senior Director, Student Finance  
Bellevue University  
1000 Galvin Road South  
Bellevue, NE 68005-3098  
Email: [cathey.hanson@bellevue.edu](mailto:cathey.hanson@bellevue.edu)

## Refund Policy

Students eligible to receive a refund based on excess financial aid (for living expenses), corporate or military tuition assistance, or withdrawal from class, will be issued a refund. For those who receive financial aid disbursement prior to tuition assistance, all tuition, fees, and books will be deducted out of the financial aid refund first. If Bellevue University refunds more money than the student is eligible to receive, the student is responsible for payment back to Bellevue University.

## Payment Options

Bellevue University offers three primary payment options. In some cases, the primary option will not cover 100% of the educational cost so a secondary option will need to be determined. The Student Financial Services team will work collaboratively to deliver information to ensure financing is secure, therefore, turning the student's focus to their learning experience. Studies have shown students who have their financing in place prior to beginning their studies are far more successful in obtaining their goals. For more information, visit [bellevue.edu/admissions-tuition/financing-options/payment-options](http://bellevue.edu/admissions-tuition/financing-options/payment-options).

## Registration

Students can register for classes when registration opens.

## Cash – Self Pay

This option is for students who plan to pay all or a portion of their educational costs without alternative funding. Payment is due 14 days prior to class/session start.

## Organizational Tuition Assistance

There are two categories students can use under this option.

1. Employee Sponsored Option would be used if payment

is made directly to Bellevue University by the student's employer. This option may apply to students who are using:

- Military Tuition Assistance
- Corporate Billing Authorization
- Letter of Credit (LOC)

2. Deferral Option would be used if payment is made directly to the student from the student's employer and in turn, the student is responsible to pay Bellevue University directly. This option may apply to students who are using Corporate Reimbursement.

## Federal Financial Aid

Payment due dates will be 45 days from the start of the class or session. If there is still a balance due, and financial aid does not cover the entire cost, the student will be required to pay the remaining balance using another payment option.

## Payment Plans

Although the student is not required to pay the entire balance upon registration, they must understand their financial obligation for all tuition and fees at the time of registration. The University will divide the balance of tuition and fees into three equal payments for traditional terms with the student's first payment due 14 days prior to class/ session start and then every 30 days thereafter. For students enrolled in Cohort and Flexxive Programs, the number of payments is based on the number of classes in their program. International students are required to pay in full for each term upon registration or due date.

## Scheduled Payments

Scheduled payments allow students to set up automated payments that align with their payment plan due date(s). Students can set up a scheduled payment for each future payment plan installment due date using a credit card, checking account or savings account. The credit card or bank account will be charged on the payment plan due date for the corresponding scheduled payment.

All students requesting scheduled payments will be placed on a payment plan that enables them to set up scheduled payments. To request scheduled payments students must complete the Request for Scheduled Payments form located at [bellevue.edu/admissions-tuition/financing-options/scheduled-payments](http://bellevue.edu/admissions-tuition/financing-options/scheduled-payments).

## International Students

International students using an international draft drawn on a bank outside of the continental U.S., or wire transfer in excess of their cost, will have the draft posted to their student account. Any excess funds remaining once the account is paid in full will be refunded less any bank service charges once the check has been paid by the bank. If the draft is drawn on a bank inside the continental U.S. in excess of the student's cost, the refund will be issued according to the

University's refund policy. Checks must indicate they are in USD (United States Dollars). Future classes/sessions may be impacted until all outstanding balances are paid in full. Deferral Authorizations are valid for one year. It is the student's sole responsibility to provide the deferral authorization on an annual basis.

## Late Payment Fee for Undergraduate and Graduate

Payments become past due one day following their due date and will be assessed a late payment fee of \$25.00. The student may be administratively withdrawn from all classes if any amount becomes past due or delinquent.

The student is responsible for informing the University of any change of address.

## Military Tuition Assistance

Please see the Military Student section on page 17.

## Corporate Tuition Assistance/ Company Billing

Students using Corporate Tuition Assistance (where the company pays Bellevue University directly), may do so by providing Student Accounts with an official letter of credit from their employer on official letterhead. This letter should explain exactly what the employer is willing to pay (tuition, books, and fees). If the company pays in full, the student is not responsible for any payment. The student is responsible to pay any portion not covered by their employer based upon the applicable payment schedule.

## Deferral Payment Option

Students may use the Deferral Payment Option if they receive reimbursement from corporations or businesses of at least 50 percent of the total cost of tuition and fees. To utilize Bellevue University's deferral program students must provide all applicable required documents. Bellevue University will defer payment of tuition and fees for 45 days from the end of class/session if approved.

Participation is voluntary and the terms and conditions of the deferral agreement are not contingent upon the receipt of a grade or reimbursement by the student's tuition assistance provider. Under all circumstances, the student is solely responsible for all tuition and fees due. Enrollment in future classes/sessions may be impacted until all outstanding balances are paid in full. Deferral Authorizations are valid for one year. It is the student's sole responsibility to provide the deferral authorization on an annual basis.

## Additional Policies

---

### Dropping or Withdrawal – Traditional-Based

A student's account (refund/credit/obligation) may be impacted if they withdraw. The amount of credit to be refunded or obligation to be paid by the student will be determined by the tuition credit/refund policy in effect at the time of the drop or withdrawal action. See page 34 for withdrawal information.

### Dropping or Withdrawal – Cohort/Flexxive-Based

If the student needs to interrupt their commitment (financial and academic) after the cohort/Flexxive program has begun, they may be able to recapture some of their investment through the Drop/Add Process. This allows the student to re-enroll with a later cohort/Flexxive group, continuing their studies at the point at which they were interrupted. The financial consequences will vary from student to student.

**What are the consequences of non-payment?** – If payment is not received by the due date, the student's account will be considered past due. A hold will be placed on their account, preventing future registration as well as the release of transcripts and diplomas. The student will also be at risk for withdrawal from all future classes if payment is not made within three days of the account entering a past due status. If a balance cannot be paid in full, payment arrangements can be made by contacting an Account Resolution Specialist at 1-866-664-7008 or [ar1@bellevue.edu](mailto:ar1@bellevue.edu). After all internal resolution activity has been exhausted and a past due balance still remains, the student's account will be turned over to a collection agency.

**How can a student get re-enrolled after Non-Payment Withdrawal?** – To be re-enrolled in a course(s), payment must be made immediately. It is important to note that the payment must satisfy the past due balance as well as the amount due for the next scheduled course(s) if within 14 days of the start date. Once payment is made, it is critical for the student to contact their Enrollment Counselor or Student Coach (Academic Advisor) as soon as possible. This contact is a critical step in the re-enrollment process. Resolving a past due account balance does not automatically re-enroll the student into their future course(s).

Re-enrollment may only occur if the student's next scheduled class has not started. Re-enrollment is also contingent on the availability of course(s). For more information, contact an Account Resolution Specialist at 1-866-664-7008 or [ar1@bellevue.edu](mailto:ar1@bellevue.edu).

### Credit Balance Policy

If the student has a credit balance, they will automatically be refunded eligible refunds on a daily basis. If the student wishes to leave the credit balance on their account, they may

do so by completing and turning in a Student Authorization Statement Form to Student Accounts via fax at 402-557-5410 or email to [stuacct@bellevue.edu](mailto:stuacct@bellevue.edu). This Authorization Statement is good for the academic year it is signed; any credit balance will be refunded at the end of the authorized academic year unless a new Student Authorization Statement Form is submitted.

## Request for Statement of Account

To request a Statement of Account, submit a request online through BRUIN's Student Resources link. For assistance, please contact the OneStop Service Center at 1-800-756-7920, option 0, or [OneStop@bellevue.edu](mailto:OneStop@bellevue.edu).

## Tax Credit Reporting

Educational institutions are required to file a Form 1098-T, Tuition Statement, with the IRS and to provide a copy of the form to the student, for each enrolled student for whom there is a reportable transaction. A reportable transaction includes payments received, amounts billed or refunds made for tuition and related expenses. Bellevue University reports on amounts billed. For the Form 1098-T to be accurately prepared, the educational institution must address boxes 8 and 9. Note that box 8 will be checked if the student was enrolled at least half-time, and box 9 will be checked if the student was enrolled as a graduate student. There are some exceptions where an educational institution is not required to file and provide the Form 1098-T. These exceptions include:

- Courses for which no academic credit is offered, even if the student is otherwise enrolled in a degree program.
- Nonresident alien students, unless the student requests the institution to file Form 1098-T.
- Students whose tuition and related expenses are waived entirely or paid entirely with scholarships or grants.
- Students whose tuition and related expenses are covered by a formal billing arrangement with the student's employer or a government agency such as the Department of Veterans Affairs or the Department of Defense

Bellevue University reports billing for the calendar year.

## Stop Payment Charge

The University is not responsible for refund checks lost in the mail. In the event the student does not receive their refund check and they wish TouchNet to issue a new check, a stop payment fee (currently \$30) will be deducted from their student account prior to issuing a new check. Stop payment requests on refund checks will only be processed once the check has been missing for 10 business days from date of mailing.

## Financial Obligations

All financial obligations to Bellevue University need to be paid in full before official transcripts or diplomas are released. If the student is past due, they may be denied continuation of their classes/program and any future enrollment.

# Financial Aid

---

Financial Aid is money available to assist the student with the costs of attending college. This assistance comes from the federal and state government, the institution, and private sources. Financial aid includes grants, scholarships, work-study programs, and student loans. Grants and scholarships are funds that do not have to be repaid.

Federal Work-Study allows the student to work and earn money. Student loans and loans to parents for students must be repaid. In general, all U.S. citizens and eligible non-citizens enrolled in an approved degree program may apply for financial aid. Refer to the eligibility criteria listed on the Free Application for Federal Student Aid (FAFSA) [www.fafsa.ed.gov](http://www.fafsa.ed.gov) (Bellevue University Code is 002538). Some scholarships are available if the student does not qualify for other forms of financial aid. The University uses the federal methodology formula to determine financial need. The student is encouraged to submit a FAFSA as early as possible after January 1.

Financial assistance disclosure information is available from any staff member of the Financial Aid Office or OneStop Service Center during normal operating hours. This information also is available on the university website [bellevue.edu](http://bellevue.edu).

The Financial Aid Office prepares a personalized need analysis for each student interested in receiving aid. Individualized need analysis assures the student full consideration for all types of assistance for which they may qualify. Determination of sources and amounts of the student's financial assistance is made through calculation of:

- Expected student/family contribution
- Estimated educational expenses
- Other aid available to the student

The difference between student/family contribution and any other aid or educational expenses is the amount of unmet need. The financial aid package explains all sources

of financial assistance for which the student may be eligible including Title IV programs, grants, and University funded programs.

Financial aid materials are contained on the Bellevue University website. Please begin the application process for financial aid eight to twelve weeks prior to the start date of the desired program. For additional information, please contact the OneStop Service Center at 1-800-756-7920, option 0, or [OneStop@bellevue.edu](mailto:OneStop@bellevue.edu).

## Financial Services Philosophy

The fundamental philosophy guiding our Financial Aid Department is that no student should be denied an education due to lack of financial resources. Financial need is determined and awards are made without regard to race, color, religion, sex, national origin, age, or disability. We are committed to assisting students with obtaining financial assistance sufficient to meet primary financial need (tuition, books, fees, and transportation). Secondary costs of education (room, board, and personal expenses) may be considered in financial aid packages based on the availability of funds.

## Federal Work-Study Program

This program provides financial assistance through part-time employment on and off campus. The student may participate in the work-study program if they have documented unmet need. Work Study is awarded to a student if they mark their interest on the FAFSA and they live in the Omaha metro area. A work-study award is the total amount of money that the student may earn during the school year. If the student is hired in a work-study position, their earnings are drawn from the work-study award.

Depending on hours worked during the year, the student may or may not earn the total amount awarded. Federal Work-Study offers off-campus community service job opportunities in a variety of fields and locations. Please contact the Financial Aid Office for work-study assistance early in the school year, as positions are limited.

## Scholarships

The overall University scholarship program awards both needs and merit-based scholarships. The program is primarily designed to assist financially needy incoming and continuing students at the undergraduate level. Some merit based scholarships are available to recognize outstanding academic achievement by incoming freshman and continuing Ph.D. level candidates. Fewer options exist for international students, students pursuing Graduate and Ph.D. degrees, and students studying at a distance.

Merit scholarship requirements vary by the source of funding; however awards are generally based on a combination of factors with scholastic achievement being the primary. Other considerations may include a student's

involvement in extracurricular activities, community service, personal recommendations and financial need. Special ability scholarships are awarded in selected areas such as athletics, special programs of study and special projects. For scholarship consideration that requires financial need, students will need to process a FAFSA each academic year. These applications are available through the Student Financial Services Office and online in the Financing Options section of [www.bellevue.edu](http://www.bellevue.edu).

Scholarship funds are provided through a variety of sources and donors. Applications are reviewed throughout the academic year and specific deadlines are posted on the individual scholarships and online under the Financing Options section of [www.bellevue.edu](http://www.bellevue.edu) under Scholarships. Bellevue University currently utilizes CommunityForce for its scholarship application system. Students can manage their own scholarship information, apply for multiple scholarships and check award status from any computer. The link to CommunityForce can be found online under the Financing Options section of [www.bellevue.edu](http://www.bellevue.edu) under Scholarships.

In determining specific priorities for the award of University based/funded scholarships, students are evaluated using the following guidelines:

- Student needs to be entering as a first time freshman or transfer student. For special programs or project scholarships, students must meet the qualifying status in order to be considered.
- Student needs to meet the specific criteria (i.e. academic achievement, special ability, etc.) as established for the particular financial assistance program for which they may qualify.
- Student must plan on matriculating on a full-time basis throughout the duration of the scholarship.

In determining specific priorities for the award of Donor based/funded scholarships, students are evaluated using the following guidelines:

- Student can be a first time freshman, transfer or continuing student already in attendance.
- Student must demonstrate financial need through the successful submission of the FAFSA each academic year.
- Student needs to meet the specific criteria (i.e. academic achievement, program enrollment, involvement in the community, etc.) as established for the particular scholarship for which they may qualify.
- First priority and preference is given to local, undergraduate, Nebraska residents.

## Freshman Academic Achievement Scholarship

The Freshman Academic Achievement Scholarship is a University funded scholarship and recognizes outstanding academic achievement of incoming freshmen who have

just graduated from high school. It is a 4-year renewable scholarship based on the following criteria:

- Student needs to be a first-time freshman enrolling at the University directly after high school.
- Student needs to meet the specific academic requirements for the scholarship.
- Student must plan on matriculating on a full-time basis throughout the duration of the scholarship, of which 3 credit hours each term must be completed in-residence.
- Student will be required to successfully complete a number of additional programmatic pieces each term in order to maintain the scholarship.

*Scholarship award level distinctions are as follows:*

- Bellevue Scholar
- Dean's Scholar
- Presidential Scholar
- Board of Directors Scholar

## BRUIN Community Scholarship

The BRUIN Community Scholarship is a University funded scholarship, and recognizes well rounded incoming freshmen who have just graduated from high school. These scholarships are based on a nomination process within the high schools where students must display a commitment to academic success, strong community involvement and leadership. It is a 4-year renewable scholarship based on the following criteria:

- Student needs to be first-time freshman enrolling at the University directly after high school.
- Student needs to be nominated by a teacher, counselor, or principal from a high school in Nebraska in order to apply.
- Student must plan on matriculating on a full-time basis throughout the duration of the scholarship, of which 3 credit hours each term must be completed in-residence.
- Student will be required to successfully complete a number of additional programmatic pieces each term in order to maintain the scholarship.

# Financial Aid Policies

---

## Class Attendance/ Participation Verification Policy

Prior to release of financial aid funds, the University must verify the student has attended and participated in an academically related activity in each of the classes in which they are enrolled. Federal regulations define academic related activities as physically attending a class with direct interaction between the instructor and students, submitting an academic assignment, taking an exam, an interactive tutorial, participating in an online discussion about academic matters, etc. If participation cannot be verified, all Title IV funds (Pell Grants, student loans, and other grants or scholarships) will not be disbursed.

If the student receives financial aid and does not continue participating in classes (family emergency, illness, etc.), the student needs to notify their Student Coach (Academic Advisor) immediately. If the student fails to participate or the faculty member fails to provide participation information to the Registrar's Office, the Financial Aid office will place the student's financial aid on hold until participation is verified. If participation is not verified, Title IV funds will be cancelled and the student will not be eligible.

## Academic Transcripts

All official academic transcripts from each institution previously attended need to be submitted to the Bellevue University Registrar so that formal evaluation can be completed and Financial Aid can award the student's grade level correctly based on official transcripts. Failure to do so may result in a delay in awarding as well as change to non-degree status and termination of financial aid eligibility (see Degree Status below).

## Overlapping Enrollment

When a student receives financial aid at more than one institution during the same academic period, an overlapping loan period may occur. In the case of overlapping loan periods, financial aid eligibility at the second institution may be affected by the amount of aid received at the first institution. If the student has an overlapping enrollment period (even one day), it can severely impact the student's financial aid eligibility. The student should contact their student financial services counselor with questions about overlapping enrollment periods.

## Degree Status

To be eligible for financial aid at Bellevue University, the student must be degree-seeking.

## Enrollment Status

### Undergraduate Students

**12, 11, 10 week Term:** Full-time = 8 credit hours  
3/4 Time = 6 credit hours  
1/2 Time = 4 credit hours

**18 Week Term:** Full-time = 12 credit hours  
3/4 Time = 9 credit hours  
1/2 Time = 6 credit hours

**6 Month Term:** Full-time = 12 credit hours  
3/4 Time = 9 credit hours  
1/2 Time = 6 credit hours

### Graduate Students

Full-time = 6 graduate credit hours  
1/2 Time = 3 graduate credit hours

## Computer Proficiency Tests and ELA/CLEP/DSST/NYU

Foreign Language Proficiency credits do not count toward enrollment status for financial aid purposes. Enrollment status (full, 3/4, 1/2) determines eligibility for grant and loan money. Financial need is determined by subtracting expected family contribution plus other financial aid from cost of attendance. Cost of attendance is determined by enrollment status.

## Examples of Cost of Attendance

The following are examples of cost of attendance budgets and are provided for information only (figures are rounded for these examples). These examples may not reflect the student's individual case.

### Independent\* Student Full-time Example

Tuition, Fees, Books	\$8,000
Living Expenses	\$8,000
Total Cost of Attendance	\$16,000
Expected Family Contributions (EFC)	\$2,000
Financial Aid (Pell Grant)	\$4,000
Financial Aid (Scholarship)	\$1,000
Financial Need	\$9,000

*In this example, the student may have loan eligibility of \$9,000*

### Independent\* Student Half-time Example

Tuition, Fees, Books	\$4,000
Living Expenses	\$4,000
Total cost of attendance	\$8,000
Expected Family Contributions	\$0
Financial Aid (Pell Grant)	\$3,000
Financial Aid (Scholarship)	\$1,000
Financial Need	\$4,000

*In this example, the student may have loan eligibility of \$4,000*

### Dependent\* Student Full-time Example

Tuition, Fees, Books	\$8,000
Living Expenses	\$4,000
Total cost of attendance	\$12,000
Expected Family Contributions	\$5,000
Financial Aid (Scholarship)	\$2,000
Financial Need	\$5,000

*In this example, the student may have loan eligibility of \$5,000*

### Dependent\* Student Half-time Example

Tuition, Fees, Books	\$4,000
Living Expenses	\$2,000
Total cost of attendance	\$6,000
Expected Family Contributions	\$4,000
Financial Aid (Scholarship)	\$1,000
Financial Need	\$1,000

*In this example, the student may have loan eligibility of \$1,000*

\* By federal definition, the student is an Independent Student if they meet at least one of the following:

- are at least 24 years of age
- are a veteran of the U.S. Armed Forces
- are serving on active duty in the U.S. Armed Forces for purposes other than training
- are enrolled in a graduate program
- are married
- are a ward of the court/orphan
- have children who receive more than half of their support from the student
- have dependents (other than children or spouse) who live with the student and who receive more than half of their support from the student

*Note: Loan amounts are determined by grade-level (freshman, sophomore, etc.).*

## Why is the Cost of Attendance Lower for Military Students?

Effective July 1, 2010, the Higher Education Opportunity Act (HEOA) implemented a change that affects military students. Specifically, the HEOA, section 471 HEA Section 472(3) states:

*The HEOA specifies that, for students living in housing located on a military base or housing for which they receive a basic allowance under Title 37 of the U.S.C - Pay and Allowances of the Uniformed Services, the room and board allowance shall include an allowance based on the expenses reasonably incurred for board only.*

Because the housing allowance is not required to be reported on the FAFSA, the housing allowance must be excluded as part of the cost of attendance. (The cost of attendance is an estimate of a student's educational expenses for the period of enrollment). All monies awarded (including loans, grants, scholarships and military tuition assistance) cannot exceed the estimated cost of attendance. Effectively, the removal of

BAH or Basic Allowance for Housing lowers a student's cost of attendance figure.

### **How can students, who are not receiving a military housing allowance, have cost of attendance adjusted**

Students must send a request to have cost of attendance reviewed for adjustment. The student must provide the reason they are no longer receiving a military housing allowance along with the written request. All requests should be sent to [finaid@bellevue.edu](mailto:finaid@bellevue.edu)

## **Loan Proration**

**Federal Direct Loan Program Loan Proration** – Federal regulations require that when a student is enrolled in a program that is one academic year or more in length, but is in a remaining period of study that is shorter than a full academic year, the loan amount must be prorated.

Students who graduate in the middle of the academic year will have their Federal Direct Loans prorated during their final term of study. The loan limit proration determines the maximum loan amount that a student may borrow for the final term of study.

**Calculating loan limits** – the limit for the student's grade level is multiplied by the following fraction to determine the prorated loan limit;

> Credit hours left in program / Credit hours in academic year

### **Borrower-Based Academic Year (BBAY) Verses Scheduled Academic Year (SAY)**

**Borrower-Based Academic Year (BBAY)** – An academic year that is individualized for each Federal Stafford Loan Borrower. A borrower-based academic year may be used as an alternative to the scheduled academic year to determine the period during which a student borrower may receive no more than the annual loan limit applicable to the student's grade level. A BBAY needs to consist of at least 30 weeks of instruction and 24 credits. All Grad and Undergrad Cohort students will be using BBAY. Flexive programs (BEEMS, AMBE) will also be using BBAY.

**Scheduled Academic Year (SAY)** – A period of time that begins and ends at the same point during the calendar year during which a Federal Stafford Loan borrower may receive no more than the annual loan limit applicable to the student's grade level. Our traditional terms will continue to use the SAY.

### **Which aid year will be associated to the BBAY?**

If a BBAY starts after July 1, that BBAY will be awarded in the corresponding Financial Aid year.

### **How is Pell awarded?**

Pell will be awarded per BBAY by the number of terms in the BBAY. For example, two term: 50% per term; three terms: 33% per term.

There will be awarded one Pell award per financial aid year. So if a BBAY student is awarded two loan BBAYs in one aid

year they will still need to reapply for 2nd Pell award with next year's FAFSA.

### **How is NOG/SEOG awarded?**

NOG & SEOG will follow the Pell rules.

### **What happens if a student goes from a Cohort Program to a traditional term?**

If 30 weeks has elapsed from the start of the students BBAY, they will have full loan eligibility for the SAY. If 30 weeks has not elapsed then their loans will be awarded up to the annual aggregate limits for the remaining SAY.

Pell would be awarded for any aid year eligibility left.

### **What happens if student goes from traditional term to a cohort program?**

If 30 weeks has elapsed from the start of the traditional term start (loan period for award), they will have full loan eligibility for the BBAY. If 30 weeks has not elapsed then their loans will be awarded up to the annual aggregate limits for the remaining BBAY. The additional BBAY will have full eligibility for that BBAY.

Pell would be awarded for any aid year eligibility left.

## **Co-Enrolled and Consortium Students**

Federal financial aid regulations stipulate that the student cannot receive aid at more than one institution for any given period of enrollment (such as a quarter or semester). The student may receive financial aid at Bellevue University while also taking classes at another regionally accredited post-secondary school. Bellevue University must have a consortium agreement with the other school and the classes must count toward the student's degree requirements at Bellevue University.

In order to complete this process the student will need to complete the Co-Enrollment/Consortium Forms: <http://www.bellevue.edu/admissions-tuition/financing-options/pdfs/consort-release.pdf>. The student will also need to complete the Certificate for Student to Enroll at Other Institution, Financial Aid Release Form, and submit an official copy of their registration/ enrollment from the non-funding Institution. The student's enrollment at Bellevue University and the non-funding Institution are compiled together to determine the student's enrollment status and financial aid eligibility. It is the student's responsibility to resolve their balance at both institutions. Bellevue University will not pay any of the student's financial aid directly to the other Institution.

If the student will be co-enrolling, the student must plan ahead and complete all necessary paperwork in a timely manner in order to receive their financial aid. Because of the additional paperwork involved when the student co-enrolls, the student may experience a slight delay in receiving their aid each term.

## Verification

This is the process where Bellevue University validates the data reported on the student's FAFSA. Bellevue University has the authority to contact the student for documentation that supports income and other information that the student reported. The student could be selected by The U.S. Department of Education or by the Bellevue University Financial Aid office at any time, for verification based upon the information the student has provided. Bellevue University is required to make sure that all aid is awarded to students according to federal, state, and institutional regulations. If selected, the verification process must be completed before financial aid can be awarded and disbursed.

The documents that Bellevue University accepts to verify the students tax information has changed based on policy changes from the U.S. Department of Education. Either a tax transcript from the IRS or the FAFSA filed using the IRS Data Retrieval Tool are the only two ways to verify tax data. It is strongly recommended that the IRS Data Retrieval Tool be used to download the student's tax information onto the student's FAFSA. If the student has filed their taxes with the IRS, they should log into their FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and make a correction to use the IRS Data Retrieval Tool to update their tax information. If they do not, or cannot use the IRS Data Retrieval Tool, the student will be required to obtain a tax transcript from the IRS and submit it to the Financial Aid office. Personal copies of tax returns can no longer be accepted.

The fastest way to request Tax Transcripts is either by phone or online. Be sure to request a Tax Transcript. DO NOT request a Tax Account Transcript or Record of Account.

### Ordering a Tax Transcript by Phone:

Call the IRS at 1-800-829-1040, then select a prompt:

- > Option 2 (Personal Income Taxes)
- > Option 1 (Tax History)
- > Option 2 (Tax Return Transcript)
- > Enter and verify Social Security number (if joint return both SSN's required)
- > Enter and verify number of street address
- > Press 2 for Tax Transcript and indicate which year

### Ordering a Tax Transcript Online:

Go to [www.irs.gov](http://www.irs.gov), then select the following:

- > Click "Order a Tax Return or Account Transcript" located in the left-hand column
- > Click "Order a Transcript" under Step 3
- > The student should enter their SSN, Date of Birth, Street Address, and Zip Code (Be sure to use the address currently on file with the IRS (generally this is the address listed on the latest tax return filed; however, if an address change has been completed through the US Postal

Service, the IRS may have updated the address on file)

- > Click Continue
- > In the TYPE OF TRANSCRIPT field, select "Return Transcript" and in the TAX YEAR field, select the appropriate year (i.e., 2013)
- > Click Continue

If successfully validated, tax filers can expect to receive a paper IRS Tax Return Transcript at the address that was used in their telephone request—within 5 to 10 days from the time the IRS received the request.

## Book Waiver

A book waiver allows eligible students to purchase all or a portion of their books from the Bellevue University Bookstore using their excess financial aid funds. The amount spent is then added to the student's tuition account to be paid for when their aid is disbursed to their student account.

Students must have their financial aid award complete. If their combined Federal Direct Student Loans, Pell, SEOG, and Nebraska Opportunity Grants exceed the cost of their tuition and fees, they may qualify for a Book Waiver to help with the cost of books.

The maximum total allowable waiver is \$600 each term, or the total of their excess funds, whichever is less. Book waiver amounts are subject to change due to changes in enrollment, academic standing, or status.

No earlier than 30 days prior to a student's class start, a student can contact the OneStop Service Center at 1-800-756-7920, option 0, or [OneStop@bellevue.edu](mailto:OneStop@bellevue.edu).

## Award Acceptance

Bellevue University participates in a passive confirmation process in regards to Student Financial Aid. This means that Bellevue University will accept Student Loans that a student is eligible on their behalf. It is the student's responsibility to review their award eligibility and if the student wished to decline all or a portion of their loans, the student will need to contact the Financial Aid office at [finaid@bellevue.edu](mailto:finaid@bellevue.edu) with their request. Students will also need to read their entire Award Notification to ensure that they are aware of all the policies regarding their Financial Aid. Students also need to complete a Direct Loan Master Promissory Note (and PLUS loan Master Promissory Note if applicable) along with Direct Loan Entrance Counseling (and PLUS Loan Counseling if applicable) in order to be eligible for disbursement of the loan funds.

## Loans

**Federal Subsidized Direct Loan** – A low interest, need-based federal loan that is not credit-based. The federal government pays the interest on the loan while the student is enrolled in school and during the six-month grace period. Repayment on the loan begins six months after the date the student ceases

at least half time enrollment. The loan may be paid back over the course of up to 10 years.

**Federal Unsubsidized Direct Loan** – A low interest, non-need based federal loan that is not credit-based. The student has the option to defer payment on the loan and interest while enrolled in school; however, interest accrues while the student is in school. The loan may be paid back over the course of up to 10 years.

**Federal Direct Parent PLUS Loan** – A low-interest, non-need based federal loan made to a dependent student's parent. This loan is credit-based. Repayment begins 60 days from the date the loan is fully disbursed. The loan is paid back over the course of up to 10 years.

**Federal Direct Graduate PLUS Loan** – A low-interest, non-need based federal loan made to a graduate student. This loan is credit-based. If a student accepts a Graduate PLUS loan, a credit check is completed by the Department of Education to determine eligibility. Students will also need to complete a PLUS loan Master Promissory Note and PLUS Entrance Interview. Repayment begins 60 days from the date the loan is fully disbursed. The loan is paid back over the course of up to 10 years. Students need to complete the PLUS loan entrance interview.

*\* If the Student or the Parent have an adverse credit history, but qualify for a Direct PLUS Loan by documenting extenuating circumstances or obtaining an endorser, they will need to complete additional Loan Counseling provided by the Department of Education.*

## Direct Subsidized Loan 150% Loan Limit Rule

As of July 1st, 2013, any first-time borrower, (which is defined as someone who has no outstanding balance on a FFELP or Direct loan when receiving a Direct loan on or after July 1, 2013), will only be able to obtain federal Direct Subsidized loans for a maximum of 150% of the published program length in which they are enrolled. Additionally, the subsidized loans that had been borrowed up to the 150% point will lose further government subsidy and interest will become the student's responsibility. If they do not graduate by the 150% point (and continue to be enrolled in the same or a shorter undergraduate program). From that point forward, these subsidized loans will become unsubsidized loans.

*Here are a few facts that students need to know:*

- Students may receive Direct Subsidized loans for no more than 150% of the length of the current academic program. For example, a student enrolled in a two-year program will have three years' worth of subsidized loan eligibility and a student enrolled in a four-year program will have six years' worth of subsidized loan eligibility.
- Once a student reaches the 150% mark in a particular program, their future subsidized loan eligibility in that program will end. They may, however, be eligible for unsubsidized loans.

- A student who reaches the 150% limitation will have their interest subsidy end for all outstanding subsidized loans if the student does not graduate and continues to be enrolled in the same or a shorter undergraduate program. Repayment does not begin, but like unsubsidized loans, the student (rather than the government) would become responsible for interest that accrues from this point forward.
- Unlike other measures in determining continued aid eligibility, this provision is not affected by the total dollar amount borrowed. Any and all periods of subsidized loan borrowing will count against the 150% time limit.
- This policy is in addition to, and not in place of, the lifetime aggregate loan limits that are currently in place.

## Pell Grants

Pell Grants are federal student financial aid grants that do not have to be repaid. The grants are for low-income college students and are awarded based on financial need. Every student who is eligible for a Pell Grant will get one. Pell Grant funds must be used to pay for education expenses.

*The student may be eligible for a Pell Grant if:*

- the student is an undergraduate student and has not received a bachelor's or professional degree, or the student is in a postgraduate teaching certificate program
- the student is a U.S. citizen or eligible noncitizen
- the student has a valid Social Security number
- the student has registered with the Selective Service if they are a male between the ages of 18 and 25
- the student has a high school diploma or GED or recognized equivalent
- the student has financial need
- the student makes satisfactory academic progress once enrolled
- the student has not defaulted on a federal student loan or owe repayment of a federal student aid grant

***Funding for Pell Grants is not limited.***

***All eligible students get a grant.***

If a student is convicted under federal or state law for the sale or possession of drugs while they are receiving a Pell Grant or other federal student aid, they may become ineligible for federal aid and their grant may be suspended.

Financial need for Pell Grants is calculated by comparing the students Expected Financial Contribution to the Cost of Attendance (tuition, fees, room and board, books, etc.).

The Expected Family Contribution (EFC) is the amount that the U.S. Department of Education calculates that the student's family is able to pay toward the student's college expenses. The EFC is based on the information that the student reports about their family's financial resources and expenses.

To apply for a Pell Grant, the student must complete the Free Application for Federal Student Aid (FAFSA). Pell Grants are awarded for one financial aid year at a time. The student must reapply each year by filing a new FAFSA.

## Pell Lifetime Eligibility

In December 2011, President Obama signed into law the consolidated Appropriations Act, 2012 (Public Law 112-74). This law has significantly impacted the Federal Pell Grant Program.

Beginning in Fall 2012, students are now limited to 12 semesters (or 600%) of Federal Pell Grant eligibility during their lifetime. This change affects all students regardless of when or where they received their first Federal Pell Grant.

If the student has attended college for 4 years or longer and received the Federal Pell Grant each semester of attendance, the student is likely to exhaust or have already exhausted their lifetime limit of 12 semesters of Federal Pell Grant eligibility during the 2012-2013 school year.

If the student has attended college for 3 years or less and received the Federal Pell Grant each semester of attendance, they will likely not surpass the lifetime limit during the 2012-2013 school year.

The percentages are based off of the annual award at full-time enrollment status.

*For example:*

- A student attending in the academic year 2011-2012 at full time status and receiving their maximum annual award, the percentage used for 2011-2012 is 100%.
- If the student attends only 9 credits (3/4 time) for each semester, the percentage used is 75%.
- If the student attends only 6 credits (1/2 time) for each semester, the percentage used is 50%.

The student will be notified by The Department of Education via email if they appear to be Federal Pell Grant eligible and have reported Federal Pell Grant disbursements that are in excess of 450% of their Federal Pell Grant lifetime eligibility.

## Tracking Lifetime Eligibility Used on NSLDS

The student can find their Lifetime Eligibility Used for the federal Pell Grant by going to [www.nsls.ed.gov/nsls\\_SA/](http://www.nsls.ed.gov/nsls_SA/) and creating a student account. NSLDS, the National Student Loan Data System, tracks the student's lifetime Pell Grants, loan usage and overpayment status. If the student has loans, they may also view how much they owe and to whom.

## The National Student Loan Data System (NSLDS)

**Step 1** – Obtain a Personal Identification Number (PIN) from the U.S. Department of Education. The student's PIN serves as their electronic signature and provides access to their personal records with the U.S. Department of

Education systems. The student can request a PIN via the U.S. Department of Education's PIN Web site at [www.pin.ed.gov](http://www.pin.ed.gov).

**Step 2** – Access NSLDS by going to [www.nsls.ed.gov](http://www.nsls.ed.gov). On the NSLDS screen, click on Financial Aid Review.

**Step 3** – Read the privacy statement. To agree, click Accept to find the Lifetime Eligibility Used. A security configuration question may or may not prompt depending on the student's browser's security configuration. If the student is comfortable with their browser's current security configuration, they should click Accept to continue. The Confirming Your Identity screen will appear after the student clicks Accept.

**Step 4** – Enter the student's Social Security number (SSN), the first two letters of their last name, their date of birth, and their PIN to confirm the student's identity.

**Step 5** – View the Financial Aid Review screen listing the student's total Lifetime Eligibility Used.

For additional information on Pell Grant Lifetime Eligibility contact - Federal Student Aid Information Center (FSAIC) 1-800-4-FED-AID (1-800-433-3243).

## Entrance Counseling

This counseling defines what a Direct Loan is and how the loan process works, helps the student in managing their educational expenses, lets the student know of other financial resources to consider to help pay for their education and lets the student know their rights and responsibilities as a borrower.

All students taking out Direct Subsidized Loans or Direct Unsubsidized Loans are required to complete entrance counseling.

**Graduate students taking out Direct PLUS Loans:** If the student has not previously received a PLUS loan under the Direct Loan Program or the FFEL Program, they'll be required to complete entrance counseling—even if they previously completed it for a subsidized or unsubsidized loans.

Entrance Counseling is available online at [studentloans.gov](http://studentloans.gov) or in person.

## Student Loan Disbursement

Federal regulations require student loans to be disbursed equally throughout the student's enrollment period and that disbursements are made per term. Disbursement dates are determined by the program or term in which the student is enrolled.

Disbursement dates are approximately two weeks after the beginning of each semester to allow time for class participation verification. Contact the OneStop or refer to BRUIN for more information on specific dates. The student will be notified in writing when student loan money arrives. In accordance with the Family Education Rights and Privacy Act (FERPA), information regarding arrival of loan proceeds are not discussed over the phone.

## Withdrawing or Dropping Classes

The student may find it necessary to withdraw/drop from the University before the end of a term. If the student drops a class or totally withdraws, they may cease to be eligible for financial aid or for a refund. A portion of the financial aid may have to be recovered and refunded (sent back) to the appropriate federal program. Federal regulations may require the student to repay part or all of the grant money they were given under the return of Title IV funds rule. The student is encouraged to seek solutions to academic problems by utilizing the advising resources available through the Office of Student Affairs.

When considering withdrawal from the University, the student should consult with their instructors and Student Coach (Academic Advisor) first to determine if this is the best course of action.

Withdrawals could impact their student account, financial aid, tuition assistance, and veteran benefit status. The student's withdrawal date is the date they began the institution's withdrawal process or officially notify the institution of their intent to withdraw; or their last date of attendance at a documented academically-related activity. See the Academic Information Section for more information.

## Official Withdrawals

*(See Withdrawing or Dropping Classes section above)*

When the student officially withdraws from all classes for the term, the Financial Aid Office will perform three steps in calculating how much of their Federal Financial Aid must be returned to the U.S. Department of Education or a student loan lender. This process is not related to the institutional refund policy that may be in effect at the time of the student's withdrawal.

**Step 1** – Bellevue University determines how much aid the student is entitled to, or has “earned” by attending classes. The date that the student starts the withdrawal process and drops all classes is the official withdrawal date, and will be used to calculate the percentage of time they were enrolled in the term and how much aid they are entitled to receive. The calculation used for this policy will use the total number of calendar days the student attended divided by the total number of calendar days of the enrollment period (minus authorized breaks of five days or more). The amount of aid includes funds actually disbursed plus those funds authorized but not disbursed at the time the student withdrew.

**Step 2** – Determine how much of the federal aid must be returned. The earned percentage is subtracted from 100 percent and determines the “unearned” amount of federal aid. This percentage called “earned aid” shall be subtracted from 100 percent, and the results called “unearned aid” shall be used to determine the amount of Title IV money that Bellevue University must return from institutional costs to the Title IV programs. Institutional costs are defined as charges

that Bellevue University assesses the student for education expenses that are paid to the University directly. The following education expenses are considered institutional costs: tuition, lab fees, and book charges. If the student drops after the 60 percent point in the enrollment period, the percentage of Title IV funds earned is 100 percent. A Return to Title IV calculation will be completed but no Title IV funds are required to be returned. Prior to the 60 percent point, Bellevue University must determine the percentage of Title IV funds earned. Bellevue University shall return the unearned amount of aid to all aid programs in a timely manner and in a specified order.

**Step 3** – Determine who must return the unearned aid. This could be the University, the student, or, in some cases, both the University and the student. The unearned percentage also is used to determine, if necessary, how much the University must return of the federal funds it received as payment for tuition, fees, and bookstore charges. In the case where the student receives Title IV funds greater than the “earned aid” amount, the student may be subject to a return of some of the funds.

There are special rules for the return of money that the student has received:

**Loan proceeds** – The student (or their parent, in the case of PLUS loan), repays the proceeds according to the terms of the promissory note.

**Federal grants (Pell/SEOG)** – Fifty percent of the amount due in the return calculation is expected to be returned to the appropriate grant program. The student needs to repay these funds to Bellevue University within 45 days of notification, or make arrangements for repayment with the U.S. Department of Education. After 45 days, the student will be placed in overpayment status and will not be eligible for further Title IV funds until this situation is resolved. Once the returned amount is determined, the federal funds must be returned in an order specified by law.

This order is: Unsubsidized Federal Stafford loan, Subsidized Federal Stafford loan, Federal Perkins loan, Federal PLUS loan, Federal Pell Grant, and Federal SEOG, and other Title IV Programs. Federal Work-Study earnings are not affected. Below is an example of the Return of Federal Funds procedures if the student officially withdraws. Copies of this and other samples of Return of Title IV Funds calculations are available from the Financial Aid Office.

### Example (12-Week Session):

Student A has total institutional charges of \$1,900, which include \$1,619 in tuition and lab fees and \$281 in books and supplies charged at the bookstore. The student enrolled in the Fall 12-Week session but withdraws from all classes after attending for 34 days. The 12-Week session is 83 calendar days long. The student received a student loan for \$2,000 and was awarded an \$800 Federal Pell Grant.

**Step 1** – The student has earned 41 percent (34 days/83 days = 41 percent) of the financial aid that he/she already received.

The amount of aid the student received was \$900 (Total aid was \$2,800 minus institutional charges of \$1,900 leaves \$900). The institution has earned the same 41 percent of the \$1,900 it kept.

**Step 2** – The unearned percentage is 59 percent (100 percent -41 percent = 59 percent). This is the percentage of federal funds that must be returned to the Title IV programs. The total to be repaid to the Title IV programs is 1,652 (Total Federal Aid is \$2,800 multiplied by 59 percent equals \$1,652). The amount of unearned aid, which must be returned by Bellevue University is \$1121 (\$1,900 institutional charges multiplied by 59 percent equals \$1,121). The amount of unearned aid that must be returned by the student is \$531 (\$900 refunded to student multiplied by 59 percent equals 531).

**Step 3** – The institution must return the \$1,121 to the student loan lender because student loans have the highest priority in the Return of Federal Funds order.

The student must repay his or her portion to their student loan lender under the terms and conditions of their promissory note.

## Exit Counseling

Exit Counseling is a mandatory information session which takes place when the student graduates, transfers or stops attending Bellevue University at a less than half-time enrollment status. The exit counseling session explains the student's loan repayment responsibilities and when repayment begins.

Exit Counseling is available online at [studentloans.gov](http://studentloans.gov) or in person.

For questions on student loans contact the lender, servicer, or guarantee agency. For serious problems or unresolved disputes contact the Department of Education Student Loan Ombudsman at 877-557-2575 or [studentaid.ed.gov](http://studentaid.ed.gov).

## Satisfactory Academic Progress (SAP)

As cost of education rises and schools receive fewer financial aid dollars, it becomes imperative that those dollars go to students meeting the requirements of the financial aid standards of progress policy. The following financial aid satisfactory academic progress policy is in effect at Bellevue University.

The Federal Title IV Programs governed by this policy include: Federal Pell Grant, Federal Supplemental Opportunity Grant (FSEOG), Federal Work Study (FWS), Federal Stafford (Subsidized and Unsubsidized) Loans, and the PLUS loans. The State grant program governed by this policy is the Nebraska Opportunity Grant (NOG). Students also need to be meeting satisfactory academic progress if receiving alternative/private loans.

In order to receive Title IV funds, the student must be making satisfactory progress in his or her course of study according to Bellevue University's Satisfactory Progress Policy. Satisfactory

progress is defined as an effective measure of evidence of positive movement toward a student's degree or credential. This measurement has three components:

### 1. Qualitative Component

The student must meet minimum standards for quality work (GPA). For example:

**Undergraduate:** A student must maintain a 2.0 GPA or better to meet minimum standards.

**Graduate:** A student in a graduate program must maintain a 3.0 GPA or better to meet minimum standards.

### 2. Pace Component

The student must produce a sufficient quantity of credit hours to ensure completion within the maximum timeframe. On a cumulative basis, a student must successfully complete two-thirds of the credit hours attempted each term. Hours attempted are those for which a student is registered as of the start date of any session, plus hours added during late registration. Hours dropped or audited after the start date of a session will be counted as "hours attempted" whether or not financial aid was received for those hours.

### 3. Maximum Time-Frame Component

Students at Bellevue University are required to complete their degree in a maximum time frame. The calculation includes transfer credits from previous Colleges and Universities.

**Undergraduate programs** – The completion of these undergraduate programs will take no longer than six years of full-time attendance. A 1/2 time student will take no longer than twelve years to complete an undergraduate program. An explanation will be required of students who exceed 144 semester hours (six years x 24 credit hours = 144 credit hours).

**Graduate programs** – The completion of these programs will take no longer than three years of full-time attendance.

These standards apply to all periods of enrollment including those in which financial aid was neither applied for nor received. These standards must be met for the student to be eligible for any of the Federal Title IV Student Aid Programs. Students who do not meet minimum requirements will be suspended from receiving consideration for financial aid. The Financial Aid office uses warning, probation, and suspension statuses. While every student situation is unique, and appeal outcomes are determined on a case-by-case basis, the financial aid office uses the following guidelines when reviewing satisfactory academic progress. These guidelines are followed for both graduate and undergraduate students.

#### First offense – Warning – Written notice

A Financial Aid warning lasts one term, during which time the student can still receive Title IV funds.

#### Second offense – Probation – Appeal needed

If the student is already on warning and fails SAP again, the student will need to submit an appeal and they may be

placed on probation. Financial Aid probation lasts one term, during which time the student can still receive Title IV funds, but they will be limited.

### **Third offense – Suspension – Appeal needed**

If the student is already on probation and fails SAP, they will be placed on Financial Aid suspension. Once the student is placed on suspension, they will no longer be eligible for financial aid until their cumulative GPA meets standards.

## **Procedures for Appeals**

Any student who needs to appeal will be required to submit, in writing, an explanation of the mitigating circumstances to the Financial Aid Appeal Committee, and will be sent an appeal request via email. The student should address the Financial Aid Appeal Committee in writing, stating the reason(s) for failure to make satisfactory progress. The student should also provide any documentation that verifies why the student was not successful in his/her classes, and provide an explanation of how they plan to demonstrate SAP for their next period of enrollment. If the Financial Aid Appeal Committee determines that mitigating circumstances exist, they will reinstate the student's financial aid and inform the student of any restrictions via email.

The Financial Aid Appeal Committee will be comprised of three Financial Aid individuals at the discretion of the Director of Financial Aid.

## **Incompletes, Withdrawals, Repetitions, and Audits**

**Incompletes (I)** – This is not a final grade. The financial aid office considers the grade of "I" as a temporary grade in which the student and faculty member have contracted for some ending documentation to have the temporary grade changed to a permanent grade. The "I" grade will change to an "IF" if this work is not completed within the allotted time frame.

**Official Withdrawals (W, WP, WC)** – These hours will be counted toward the two-third's completion rate for the year. No after-the-fact financial aid will be paid for classes in which a grade of W, WP, or WC is assigned. Financial aid will be denied to students who repeatedly drop courses or withdraw from the University.

**Repetitions** – Financial aid will be paid for classes a student chooses to repeat, as long as the student previously failed the course and the course counts toward completion of the degree program. It may be academically sound for a student to repeat certain classes to raise his or her GPA to acceptable standards, but financial aid will only pay for a class that has been previously passed once. (For a graduate student, a previously passed class is counted as anything that the student receives a D- or above in.)

**Audits (AU)** – No financial aid will be given for classes taken in this status. No credit is earned toward completion of degree requirements; therefore, the student is not eligible for any financial aid.

Students that have met degree requirements but choose not to apply for graduation will be denied further Federal Title IV financial aid.

### **Procedures for Satisfactory Academic Progress Review:**

The Financial Aid Office will adhere to the guidelines for checking SAP:

- For all students, the qualitative component is checked prior to disbursement of each term.
- For all students, the pace component is checked prior to disbursement each term.
- SAP is also checked on students that are manually packaged.
- At the beginning of the new aid year, the Financial Aid office will run a query to identify any student who had an outstanding appeal checklist item from the previous aid year. This will ensure that any student who has not yet completed an appeal for the previous aid year will not be awarded or disbursed any aid until they complete the appeal.

## **Deferment**

A deferment allows the student to postpone loan repayment. The federal government pays the interest charges during the deferment period on subsidized loans. The student is responsible for the interest accrued during deferment on unsubsidized loans. The student may delay paying interest charges by capitalizing the interest, thereby increasing the loan amount. Most federal loan programs allow the student to defer loans while attending school a minimum of half time. Deferrals of principal and interest also are available for service under the Peace Corps Act, service under the Domestic Volunteer Service Act of 1973, or comparable service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service (deferment forms are available from the lender, servicer, guarantee agency, or the Student Financial Services Office). Deferment is not permitted for loans in default.

If the student wishes to defer their loans, contact the lender(s) on the steps to complete that process as each lender is different. If the student has in-school deferment loan paperwork to complete, send the request to the Registrar's office to complete.

## Forbearance

Forbearance is the temporary postponement or reduction of student loan repayment while interest charges continue to accrue, even on subsidized loans. The student must pay the interest charges during the forbearance period. Forbearances are granted at the lender's discretion, usually in cases of extreme financial hardship or other unusual circumstances when the student does not qualify for a deferment. Forbearance is not permitted for loans in default.

## Study Abroad

Students should contact the Financial Aid Office if they intend to study abroad. The student will be required to provide the Financial Aid Office with documentation of their application for admission and acceptance to their choice of study abroad program. This documentation will indicate class(es) to be

taken, enrollment period, and relevant cost for the program. The Student will provide the Course Pre-Approval form signed by the appropriate personnel indicating that their study abroad classes will transfer to Bellevue University toward their degree completion. Course Pre-Approval forms can be obtained from the Study Abroad Office. The student will complete a Certificate for Dual Enrolled Students and submit to the Financial Aid Office.

Student Financial Services will prepare a consortium agreement as the home institution with the visiting institution for the purposes of eligibility for Title IV Federal Aid. The student will make arrangements with Student Accounts to have the financial aid applied to their account and any credit balances mailed to an address of their choice.

Bellevue University has a long tradition of providing opportunities for students to earn credit for prior learning. To do so, we assist students in three primary ways:

**Transfer Credits** – applied through the Office of the Registrar

**Testing** – administered through the University Test Center

Students may earn credit for college-level learning achieved through work, outside activities, and life experiences. Credit granted for post-traditional learning will not apply toward the residency requirement, nor will credits be computed into the Bellevue University GPA. This learning may be evaluated for credit through testing. ELA students present life experiences in the form of a portfolio and are required to complete a credit course.

# Courses, Degrees, and Programs

## Undergraduate Degree Requirements

### Undergraduate Degrees

- Bachelor of Arts (BA)
- Bachelor of Applied Science (BAS)
- Bachelor of Business Administration (BBA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Science (BS)

All degree programs are designed to provide both breadth and depth in academic experience. The length of time to complete a Bachelor degree for most students attending full-time, each term, from start to finish is four years. This time could decrease based on the number of transfer credits accepted and number of courses taken each term. Degree requirements include General Education Core, major requirements, and electives. Students are required to complete the General Education Core providing background and foundation knowledge to build academic excellence and career flexibility. In addition to the General Education Core, students will complete a major in at least one academic area. Courses taken in a major area may also meet the General Education Core requirements. Elective courses are taken to satisfy the credit hour requirement of the degree once the General Education Core and major requirements are fulfilled. It is highly recommended that students complete as many of the General Education Core courses as possible during their freshman and sophomore years. This will provide the student with the foundation needed to be successful in their upper-level courses.

### Bachelor's Degree Requirements

To earn a bachelor's degree, the student is required to:

3. The Business Administration and Accounting majors require 21 upper level credit hours completed in residence

4. Resident credit hours are credits earned at Bellevue University in either Online or In-Class delivery formats

5. Some select majors including Media Communications and Digital Marketing require 60 upper level credit hours

### Undergraduate Students Taking Graduate Courses

Undergraduate students in their senior year, with a 3.0 or better cumulative GPA, and a minimum of 30 hours in residence may be allowed to enroll in select graduate courses. This coursework may be used to satisfy undergraduate degree requirement. Contact Academic Advising for more information.

### Non-Degree Seeking Status

To transfer credits from Bellevue University to another institution, for personal or career enhancement, the student may enroll as non-degree seeking student.

To change status from a "non-degree-seeking" to "degree-seeking," complete a degree-seeking application with the Enrollment Management Department. The student will be subject to the requirements for graduation contained in the catalog in effect at the time the student became "degree-seeking." If evaluation and review of the student's credentials indicates that they have misrepresented themselves, the student's admission, registration, and degree status may be invalidated.

### Academic Credit Evaluation

The Registrar Office conducts initial evaluations of the student's academic records, to ensure all required academic documentation is on file, and to apply transfer credit to Bellevue University degree programs in accordance with established policies. Complete reevaluations of these records are conducted only when the student changes

degree programs, majors, and/or when the student changes University catalogs. A final audit of the student's academic records is conducted by the Registrar Office. The Registrar Office's audit ensures all required academic documentation is on file, and all degree requirements are completed prior to the student receiving their Bellevue University diploma.

## Undergraduate Degree Residence Requirements

Residency in the State of Nebraska is not required. The only residence requirements relate to courses taken through Bellevue University.

To earn a degree, a student is required to have at least 30 credit hours of in-residence courses at Bellevue University; including a minimum of 12 hours in upper-level (300-400) courses in their major area (21 hours for Accounting and Business Administration Majors). Online and in class courses count toward residence hours; PLA credits, transfer hours, or credits earned through testing do not count toward residence.

## Second Bachelor's Degree

Those seeking a second bachelor's degree need to meet the following requirements:

1. Complete all requirements of the first bachelor's degree.
2. Apply for and receive the first bachelor's degree.
3. Complete an additional 30 credit hours in residence, earned after conferral of their first degree. Complete all GPA, major and other academic and procedural requirements in effect at the time of enrollment in a second bachelor's degree program. Two degrees of any type may not be awarded simultaneously.

## Declaring a Major

Each candidate for graduation must select a major. It is strongly recommended that this selection be made by the end of the sophomore year. A decision will facilitate Academic Advising for the junior and senior year program. The student should officially declare a major field of concentration by the time they have completed 60 credit hours.

*Majors are classified in two ways:*

**Single** – To major in a single area of study, the student is required to complete all the courses specified by that area in addition to the General Degree Requirements.

**Multiple** – To earn a degree with a major field of concentration in more than one area of study, the student will need to fulfill the General Degree Requirements and the requirements of each major field selected. The student's permanent records will reflect each major area.

## Minors

A minor is a recognized group of courses in a specific discipline that enhances general learning, enriches educational focus, and complements the student's major. Selection of a minor is not a requirement for graduation. Please consult with a Student Coach (Academic Advisor) about minor selection.

A student may declare a minor any time after they have submitted the admission application. Minors typically require between 18 and 27 credit hours to complete. A minimum GPA of 2.5, 9 upper-division credit hours, and three courses (9 credit hours) in residence at Bellevue University (excluding the business minor) are required. Upper-level courses need to represent 6 of the residence credit hours.

## Emphases

At the undergraduate level, emphases provide an area of focus and a choice of options for more in-depth study within a bachelor's degree program. Emphases are generally 9 to 15 credit hours (less than the requirements of a minor) and are designed to provide the student with choices in a disciplinary area of interest. The student should consult with their Student Coach (Academic Advisor) to effectively design a degree plan that integrates one or more emphases in their degree program.

## Certificates of Completion

Certificates of completion are awarded for a set of courses that define a specialization that is generally recognized in the workplace. A certificate of completion is not an academic award, but rather, recognition of the student's learning in a content domain. A student may declare a certificate of completion any time after they submitted an application for admission. The courses will be included on their transcript, and upon request, on a printed certificate of completion.

*Note: Minors, Emphases, and Certificates of Completion may be completed after conferral of degree.*

## Modes and Methods of Earning Credit

### Formats

**Traditional** – Traditional programs are offered in a format following the conventional Fall, Winter, Spring, and Summer terms. In a traditional format the student is required to register for classes prior to the start of each term.

**Cohort** – A cohort is a group that works together to complete a degree; students complete each of their courses with the individuals in their cohort. All accelerated and some non-accelerated programs are offered in the cohort-based format.

**Accelerated** – The accelerated programs are offered in the cohort-based format that emphasizes applied, active learning. Requirements allow flexibility in sources of learning and specific coursework. This allows the student to tailor their bachelor's education, taking into account personal career or life goals, time or schedule constraints, and credits previously earned.

Note: Programs are offered in class and online

**Flexxive®** – Exclusive to Bellevue University, Flexxive is a new learning model that ensures mastery of the knowledge and skills required to advance in the workplace. Flexxive is designed for the student to progress through 6-month terms at their own pace while still getting the Instructional Team support needed to be successful. Additionally, there are no textbooks to purchase and students only pay for the first 12 credits they take during a term—with no additional cost for adding more courses.

Flexxive students can move quickly through subjects they have already mastered while also having the ability to slow down when life happens or when more time is needed to master a skill. There are no weekly requirements or assignment deadlines and there are also no extensions for incomplete courses. The only requirement is that students must complete all their courses by the end of the 6-month term.

The Flexxive BBA majors are 120 credit hours and all terms are 6 months in length. Any pre-earned 60 credit hours plus the 60 credit hours in the BBA major make up the degree. General education requirements and the Kirkpatrick Signature Series capstone courses are built into the 60 hours of the BBA major, so there are no additional courses to take.

**Flexxized® Programs** – There are other programs at Bellevue University that have Flexxive® attributes but are not in the 6 month terms such as a flexible timeline for assignments as well as the use of Instructional Teams. If a student needs to take an incomplete or retake a course in one of these flexible programs, the course material already completed successfully does not have to be retaken. The Flexxive Instructional Team is comprised of the Instructional Faculty, Student Coach, and Reader: Instructional Faculty will have the most contact with the student. They are there to answer any questions and will closely monitor progress through a dashboard of indicators. Instructional Faculty will reach out to the student periodically to discuss their academic progress and help solve any issues the student might be facing.

The Student Coach serves as both Student Coach (Academic Advisor) and Student Financial Counselor, and is responsible for all enrollment and registration matters, the student's financial plan and their overall academic plan. This person will also monitor progress and work closely with Instructional Faculty. The Student Coach will contact the student when specific milestones are reached. The Student Coach is the go-to person to get connected with campus services.

Assignments will be graded by a qualified Reader. The Reader is separate from the Instructional Faculty. The Reader will use a pre-determined set of expectations, known as rubrics, to evaluate student work; the same set of expectations the student receives when they enter the program. The Reader will submit feedback within 48 hours.

## Course Delivery Format

The following are course delivery formats offered by Bellevue University:

**Face-to-face** – at a Bellevue University campus, satellite or outreach centers, corporate locations, or other college sites.

**Online** – via the University's online learning platform.

**Blended** – combining face-to-face and online modes.

Other options for earning credit are described below.

## Transfer of Undergraduate Credits or Degrees

Transfer may be done on a course-by-course basis or by transferring a complete degree. Course transfer guides and articulation agreement information can be found on the University website and are available in the Enrollment Management Department. Upon receipt of all official transfer documentation, a transfer credit evaluation will be completed. This is useful in selecting a major, and understanding what is needed to complete a degree program.

## Acceptance of Associate's and Non-Resident Bachelor's Degrees

An associate's or bachelor's degree from any accredited institution may enter into Bellevue University degree programs under the following conditions:

- An associate's or bachelor's degree from another accredited institution, all credits earned under the degree, by the time of that degree's completion, may be accepted for matriculation at Bellevue University.
- A student will need to take those courses comprising the major, concentration and any prerequisites to that concentration and meet all other degree completion requirements.

Specific articulation requirements between the first and second degree include:

**Associate's Degrees** – A student with an associate's degree in any discipline may enter any undergraduate degree program at Bellevue University and have no separate General Education Core Curriculum requirements to meet, but must satisfy Kirkpatrick Signature Series requirements. There may be additional elective credits required.

**Bachelor's Degrees** – A student with a bachelor's degree may enter a second bachelor's degree program at Bellevue University and have no separate General Education Core Curriculum or Kirkpatrick Signature Series requirements to meet.

*Note: For those pursuing a BBA degree as a second bachelor's degree-BBA degree programs are required to be taken in their entirety. Select duplicate course taken previously at Bellevue University may satisfy certain BBA degree requirements.*

## Transfer of Graduate Credits

A student who has successfully completed graduate coursework at other accredited institutions may request an evaluation of these credits. A maximum of 6 graduate credits with a minimum grade of "B" may be transferred to Bellevue University. In cohort-based programs, no transfer credits will be accepted.

*Note: The Master of Professional Studies will allow a up to 12 graduate credits with a minimum grade of "B" to be transferred.*

## Application of Transfer Credit and Credit for Post-traditional Learning

A student may earn academic credit for learning acquired through sources other than college classes and/or be granted credit for college-level learning acquired outside of a regionally accredited college setting. Assessment of such learning will be conducted or validated by Bellevue University based on the standards promulgated by nationally recognized educational agencies such as the American Council on Education (ACE), the Council of Adult and Experiential Learning (CAEL), the North Central Association of Colleges and Schools-Higher Learning Commission (NCAS-HLC), and the Council for Higher Education Accreditation (CHEA).

A student may earn credits toward General Education Core Curriculum, majors, and electives through:

1. Bellevue University courses.
2. Transfer credit, with a grade of "C-" or higher, from other accredited post-secondary institutions, or earned as part of an associate or bachelor degree. The Kirkpatrick Signature Series courses must be completed in residence.
3. Credits from CLEP, DSST, NYU Foreign Language Proficiency exams, Computer Proficiency tests, or ACT/RCE testing (see pages 43-44).
4. Credits accepted through Experiential Learning Assessment (ELA).
5. Credits accepted by articulation agreement with Bellevue University.
6. ACE high school Advanced Placement tests.
7. Military experience and training.
8. Other accredited and approved forms of learning.

*Note: Transfer credit, PLA credit, CLEP/DSST, NYU Foreign Language Proficiency exams, and Computer Proficiency tests are not computed into the Bellevue University grade point average.*

### CLEP/DSST Testing

CLEP tests and DSST tests offer more than 80 Pass/Fail testing opportunities to earn college credit without affecting GPA. Please visit the Test Center for detailed information about CLEP tests and DSST tests such as the tests offered, the number of credits that may be earned for each successfully completed test, the required score, and important links to the CLEP and DSST web sites. Contact your Student Coach, Admissions, or the Test Center Team for information about these testing programs.

### New York University (NYU) Foreign Language Proficiency Exams

Bellevue University is an authorized test center for NYU Foreign Language Proficiency exams offering the opportunity to earn college credit for advanced learning in foreign languages. NYU Foreign Language Proficiency exams are ordered from NYU by the Test Center. The entire process of

ordering, administering, and receiving results may take up to 16 weeks. NYU Foreign Language Proficiency exams are Pass or Fail. These scores do not affect GPA. Please visit the Test Center for a complete list of available languages and additional details about this test

*Note: French, German, and Spanish are only available as CLEP test*

### Prior Learning Assessment (PLA)

Prior Learning Assessment (PLA) is a directed method that enables students to earn credit for college-level learning through work, outside activities, and life experiences. Credit granted for post-traditional learning will not apply toward the residency requirement, nor will credits be computed into the Bellevue University GPA. This learning can be evaluated for credit through testing or Prior Learning Assessment.

### Credit for Prior Learning

Bellevue University has a long tradition of providing opportunities for students to earn credit for their prior learning. To do so, we assist students in three primary ways:

**Transfer Credits** – applied via the Office of the Registrar

**Testing** – administered through the University Test Center

**Experiential Learning Assessment** – administered through successful completion of "Discovering Your Value: Turning Your Experience Into College Credit" MOOC <http://www.bellevue.edu/ways-to-learn/open-online-courses/experiential-learning-assessment>.

Students may earn credit for college-level learning achieved through work, outside activities, and life experiences. Credit granted for post-traditional learning will not apply toward the residency requirement, nor will credits be computed into the Bellevue University GPA. This learning may be evaluated for credit through testing. ELA students present life experiences in the form of a portfolio. Students are required to complete "Discovering Your Value: Turning Your Experience into College Credit" MOOC before submitting their portfolios.

The Registrar, in accordance with University policy, will determine whether such awarded credits satisfy major, core, or general elective requirements toward a bachelor's degree. Please visit [bellevue.edu](http://bellevue.edu) or email [ela@bellevue.edu](mailto:ela@bellevue.edu) for more information.

### Independent Study

Courses regularly scheduled during normal matriculation usually will not be approved for Independent Study. Under the Independent Study option, the student must obtain permission to register for a maximum of 18 undergraduate credit hours (or 6 graduate credit hours) through special arrangement with the Dean's Office of the sponsoring college. This option allows the student to contract (under certain circumstances) to take Bellevue University courses on an individual basis if approved. The student is required to register prior to the last day for late registration. The Dean of the sponsoring college must approve any other procedure.

## Topics Courses

Some areas of study have an experimental course labeled "Topics" for use in exploring a particular area of interest in the form of a directed reading, practicum, internship, thesis, or other independently arranged course not otherwise offered at Bellevue University. Courses are identified by the selected area of study (CA, BA, etc.), followed by the number 399 or 499. Course titles are formatted as "Topics in (area of study)." Each course is assigned its own unique designation. The student selects course content in conjunction with the sponsoring college Dean if offered as Independent Study, or by a full-time faculty member planning an experimental course if offered as a class. A brief syllabus or course outline must be approved by the appropriate college Dean, and forwarded to the Registrar for inclusion in the University's master schedule. A topics course may be offered two times under the conditions of this policy. Should the course be requested for a third time, it must be approved by the Executive Vice President for University and Academic Affairs and it must follow the established procedures for adding a new course on a permanent basis to the University curriculum/catalog.

## Course Clusters

Course clusters offer an intensive, interdisciplinary examination of a particular subject from interlocking perspectives or an integrated view of a particular time in history from literary, social, historical, or other relevant perspectives. The goal of a course cluster is to link these perspectives holistically to encourage real world thinking about complex topics, and to broaden the student's comprehensive knowledge of the chosen content area or the historical significance of events and developments. Course clusters also may include a skills-based and an application course that, offered together, provide a more meaningful learning experience. Course clusters are 9 credit hours and are used to meet general education and elective course requirements.

## Online Courses and Programs

The University has developed an award-winning online learning environment that:

- provides a highly interactive learning experience
- utilizes assessment technology with feedback from students and instructors
- integrates applied concepts in the learning process
- sets and monitors participation levels for the student and their instructors
- treats the classroom as a dynamic, resource-rich environment that takes the student beyond the limits of traditional classroom walls to become an information-age learner

By using the easy-to-follow links, the student can:

- attend class
- meet with fellow students
- discuss lessons with instructors
- complete assignments
- conduct research

Online classroom access is available 24 hours a day, seven days a week\* from almost anywhere there is an internet connection\*\*. Online courses count toward the 30-credit hour residency requirement. There is no requirement to come on campus.

Some degree programs/courses may require students to use a webcam and/or other software to participate in course requirements.

*\* System maintenance excluded*

*\*\* All courses are conducted in English*

# Academic Information

## Cross-listed Courses

Courses in which both graduate and undergraduate students attend the same course but receive credit under different course numbers are referred to as cross-listed. Cross-listed courses are required to have separate and distinct syllabi for each degree level specifying the differences in performance expectations. Ordinarily cross-listed courses occur at 400- and 600-level, however there may be instances in which 600- and 800-level courses are cross-listed. Cross-listed courses taken at one level may not be repeated at the cross-listed level for credit.

## Class Load – Undergraduate Programs

The normal class load for undergraduate students is between 9-12 credit hours depending on length of course and delivery method. Students wishing to carry more than the maximum at any given time, must obtain the written permission of their Student Coach (Academic Advisor) and Dean of their college, or designated representative, prior to registration. Students must keep in mind that most courses require two hours of study outside the classroom for every hour of class instruction.

### Undergraduate Term: 12 Week 11 Week 10 Week

Students must contact their Student Coach for more information and to schedule recommendations

## Class Load – Graduate (Master and Doctoral) Programs

The normal class load for graduate students is 6 credit hours per session. If a student wishes to carry more than the maximum at any given time, they must contact their Student Coach (Academic Advisor). The Student Coach (Academic Advisor) will then contact the Dean of the student's College, or designated representative, to obtain the written permission prior to registration. Once the request has been reviewed, the Student Coach (Academic Advisor) will contact the student with the decision.

### Graduate Session

Full-time status	6
Part-time status	3
Max. w/out permission	7

During doctoral dissertation, students must take at least 3 credit hours to be active.

## Wait List

In select courses if a class is full students have the option to choose to be on the waitlist. If a space in the class becomes available prior to the last date to register, students will be enrolled based on their order. Items including but not limited to the student's overall class load and the status of the

selected payment method may prevent enrollment. Students enrolled in a course that do not have their selected payment option satisfied may be removed from the class.

## Attendance

All academic programs require active participation. Students are encouraged to contact their instructor when they are absent from class. For more information please see the applicable course syllabus.

Documentation of the cause of excessive absences will be requested from the student. If a student is experiencing medical issues or family health issues, they should contact Disability Services. Unexcused absences are never acceptable and could result in a significantly lower grade or failure for the course.

Attendance standards for international students and students receiving Title IV funds (financial aid) are established by federal regulation. Bellevue University complies with these federal regulations.

*Note: Failure to meet participation expectations for two or more classes without the approval of the instructor could be grounds for an administrative withdrawal.*

## Change of Schedule

Students are advised to keep any schedule changes to a minimum. For term-based courses, students may contact the OneStop Service Center or utilize self-service through the Bellevue Real-Time User Information Network (BRUIN). For questions on course selection or how changing a schedule may impact an academic plan, contact Academic Advising. International students must ensure they maintain full-time status at all times.

Students may drop/add a class through the first week and the dropped course will not appear on the student's academic transcript. For more information, please contact the OneStop Service Center at 1-800-756-7920, option 0, or [OneStop@bellevue.edu](mailto:OneStop@bellevue.edu).

An undergraduate student in a cohort major or graduate student in a cohort program who wishes to drop/ add must work with Academic Advising. Changes of schedule may affect financial aid. Students must work closely with their Student Financial Counselor to minimize the impact of the rescheduling on financial aid and tuition payment schedules. Written authorization from Student Accounts indicating prior financial arrangements for tuition payment will be required for completion of the rescheduling process. Tuition for courses following the reschedule is assessed at the current tuition rate. Please see the Student Financial Services section on page 24.

## Withdrawal/Dropping a Course

Students are encouraged to seek solutions to academic problems by utilizing Academic Advising resources. When considering withdrawal from the University, students should consult with their instructors and Student Coach (Academic Advisor) to determine if this is the best course of action.

International students should also confer with the Immigration Specialist to determine how withdrawing may impact the student's F-1 visa status.

Withdrawals usually impact the student's accounts, financial aid, tuition assistance, and veterans' benefits status; thus they are encouraged to consult with their student financial counselor prior to withdrawal.

## Responsibility for Withdrawal

Students are responsible for initiating and ensuring the withdrawal process is complete. Merely ceasing to attend classes does not constitute an official withdrawal. Any student who has not been withdrawn from a course will be assigned the grade earned as of the end of the course. If they have not received a confirmation of the withdrawal, please contact the OneStop Service Center at 1-800-756-7920, option 0, or [OneStop@bellevue.edu](mailto:OneStop@bellevue.edu). Students who wish to withdraw from a class after the "last day to withdraw or change to audit," must obtain the Dean's approval through their Student Coach (Academic Advisor). International students must secure an authorization from an Student Coach (Academic Advisor) prior to any course load adjustment.

## Withdrawal from a Program

Prior to withdrawing from a program, students are encouraged to meet with their professor and their Student Coach (Academic Advisor), to discuss alternatives. If the student must withdraw from an accelerated, cohort-based program, they will follow the withdrawal schedule as stipulated in their financial agreement. A student may initiate the withdrawal through their Student Coach (Academic Advisor); however, it is the student's responsibility to ensure the proper withdrawal forms are provided to the Student Accounts Office.

The academic goals of a student experiencing dramatic changes in their work or life situations during the year may be affected. Students in this situation are encouraged to meet with their major professor, and with their Student Coach (Academic Advisor), to discuss alternatives.

A student experiencing medical or family health issues is encouraged to contact Disability Services. An international student, prior to contacting Disability Services, should confer with the Immigration Specialist to determine if they are eligible for a medical hardship or other exception available to F-1 visa students.

## Medical Hardship/Compassionate Withdrawal Policy

A student may submit a request for a medical hardship withdrawal and/or a compassionate withdrawal in extraordinary cases in which serious illness or injury (medical hardship) or another significant personal situation, for example, care of a seriously ill child or spouse, or death of the student's immediate family member\* and/ or a domestic

partner\*\* (compassionate) prevents a student from continuing his or her classes in a particular term. If arrangements with instructors for an extension or incomplete grade are not possible a request may be made for a medical hardship or compassionate withdrawal. The medical hardship withdrawal policy is not intended to apply in situations of chronic or ongoing medical, emotional, or psychological distress. To the extent that University policy applies in compliance with the Americans with Disabilities Act, if a student has a chronic or ongoing medical, emotional, or psychological condition, they may apply to Disability Services.

\* Family member is defined as parent, sister, brother, spouse, mother-in-law, father-in-law, grandparent, grandchild, son, daughter, stepchild, a child in custody of and residing in the home of a student.

\*\* Domestic partners are defined as persons who reside in the same home who have reciprocal duties to and do provide financial and/or emotional support for one another.

The request for withdrawal from the term or a grade change (failing grade only) to “withdrawal” must be made within one year of the requested term. A student can secure more information about the University’s Medical Hardship and Compassionate Withdrawal Policy from their Student Coach (Academic Advisor). Prior to withdrawing, the student is strongly encouraged to visit with their Student Coach (Academic Advisor) to discuss possible options in lieu of withdrawal and Financial Aid Counselor to identify and understand the financial assistance/ monetary implications of processing this withdrawal.

## Administrative Withdrawals

The University reserves the right to withdraw students who fail to meet financial or academic obligations including participation or who, because of misconduct, disrupt the academic process. Administrative Withdrawals are reflected on student’s transcript as appropriate. For more information on administrative withdrawals, please contact an Student Coach (Academic Advisor).

# Grading Systems and Policies

## Grading System

Instructors use the following grading system when reporting final grades in each course. The faculty report final grades to the Registrar at the end of each course. They become part of the student’s permanent record and are included in the computations of grade points earned and the grade point average.

Letter grades for courses with their respective grade point equivalence, are:

A	4.0 – Work of exceptional character
A-	3.67
B+	3.33
B	3.0 – Superior work and distinctly above average
B-	2.67
C+	2.33
C	2.0 – Work of average quality
C-	1.67
D+	1.33
D	1.00 – Work falls below average, but clearly above failure
D-	0.67
F	0.0 – Work fails to meet minimum requirements. No academic credit awarded
IF	0.0 – Incomplete that turns into an F
P	Pass – Used on a limited basis for specified courses. It is not calculated in GPA
N/NP	No Pass – Work fails to meet minimum requirements.

No academic credit awarded. Not calculated in GPA

- W **Student Withdrawal** – Student initiated withdrawal from the course. It is not calculated in GPA
- WP **Administrative Withdrawal** for Non-Participation
- WC **Administrative Withdrawal** for Cause
- AU **Audit** – No academic credit awarded
- I **Incomplete** – If a student is assigned a grade of “I” or Incomplete, this is not calculated in their GPA. It is a temporary grade the instructor gives at the end of the course to indicate that the student has not completed the required coursework. The instructor will provide a reasonable period of time to complete the required work—up to 12 weeks after the end of the class. If the student does not complete the work according to the time frame specified by the faculty member, they will officially receive the grade earned.

*Note: Incompletes/audits are not accepted within the Flexxive program.*

## Pass/No Pass Courses

A student may elect to take specified courses on a Pass/No Pass basis. A maximum of 15 hours of Pass/No Pass courses may count toward the credit hours required for graduation and toward the 30 credit hour residency requirement. However, Pass/No Pass courses do not count toward graduation honor calculations because no grade points are assigned. Additional limitations on student elected Pass/No Pass courses are:

1. Courses elected on a Pass/No Pass basis are limited to those outside the General Education Core Curriculum

(elective courses only) and to courses outside the student's major and/or minor, with the exception of those courses offered only on a Pass/No Pass basis. In all Pass/No Pass courses, prerequisites must be met.

2. Some courses, beyond those discussed in item 1, will not be eligible for a Pass/No Pass basis. For specific exclusions, contact the appropriate Dean.
3. Approval to take a class as Pass/No Pass must be obtained from the appropriate College Dean no later than the last date to drop/add. Approval to change a course from a Pass/ No Pass to regular grading must be made within the same time frame.
4. The Pass grade indicates performance at a "C" level or above in all Pass/No Pass classes. The Pass grade will count toward hours for graduation but will not be included in the GPA calculation.
5. Professional seminars and workshops offered for credit may be awarded a grade of Pass/No Pass. For additional information please contact an Student Coach (Academic Advisor).

*Note: Pass/No Pass courses do not apply to the Flexxive program.*

## Auditing of Undergraduate Courses

When auditing a course, the student is not required to participate in class recitation, turn in papers, or take examinations, but is expected to attend class meetings. The student may be asked to join group discussions to maintain the flow of the course. Academic credit is not awarded for an audited course. The tuition and fees for auditing are the same as regular course tuition and fees.

A student wishing to audit a course must registrar for that course as an audit prior to the end of the add/drop period. Once the add/drop period has passed, no student may change from audit to credit or credit to audit. The change must be approved, in writing, by the instructor of the course and the Registrar. International students, or students enrolled in cohort, graduate, or Flexxive programs are not eligible to audit courses.

## Repetition of Courses

Only coursework completed at Bellevue University is considered in the GPA for repeated courses. A student may repeat a course to raise a previously earned grade. Only the highest grade earned is computed in the Grade Point Average (GPA), and course credits are counted only once toward the required hours for graduation. A student may not retake an individual course after three failures (grade of "F" undergraduate-standing; "C-" or below graduate-standing). The first failed grade per course is included in calculating GPA subsequent failed grades for course are excluded from GPA calculation.

Undergraduate courses taken at other institutions, for which a grade of "A" through "C-" has been earned, are eligible

for transfer to Bellevue University. However, if the transfer is a repeat of a failed course at Bellevue University, the original grade of "F" will remain on the student's record and GPA will not be adjusted.

## Grade Appeals

The student has the responsibility and right to call to the attention of an instructor any grade which they believe to be in error. Before filing an official appeal to the administration, the student must first meet with the instructor. If the instructor is no longer with the University, the student must meet with the instructor's director to seek clarification of the grade. If the grade is correctly recorded and the student wishes to appeal it, submit the initial written appeal of the instructor's grade to the respective College Dean within 60 calendar days of the posting of grades in BRUIN. Please note, the Dean may process the appeal in accordance with the colleges appeal procedure. The Dean has the authority to raise or lower the original grade that was assigned and has 15 days to respond to the appeal. A final appeal may be made to the University's Executive Vice President for University and Academic Affairs or Chief Academic Officer, within 15 days of the Dean's response. The Executive Vice President for University and Academic Affairs Chief or Academic Officer's response is final.

## Grade Point Average (GPA)

Academic performance is measured by computation of the Grade Point Average (GPA). The GPA is determined by multiplying the grade point value earned in each course by the number of credits assigned to each course, summing the products of the courses attempted, and dividing by the total number of credits attempted. The average is computed only on academic work completed at Bellevue University. The effect of an "F" grade on the cumulative GPA can be changed by successfully repeating the course at Bellevue University, but will remain on the transcript as an "F."

*Note: Transfer credit, ELA credit, CLEP/DSST, NYU Foreign Language Proficiency exams, Computer, and other proficiency tests are not computed into the Bellevue University grade point average.*

## Dean's List – Undergraduate Only

Bellevue University believes in rewarding excellence for academic performance in undergraduate programs. The dean's list recognizes achievement of high academic standards. Degree-seeking undergraduate students are eligible for the dean's list after completing 9 credit hours and earning a GPA of 3.6 or higher each term.

*Note: Flexxive students are not eligible for the Dean's List.*

*Note: The Dean's List does not determine graduation honors.*

Fall	July 1 – Sept. 30	Feb. 1
Winter	Oct. 1 – Dec. 31	May 1
Spring	Jan. – Mar. 31	Aug. 1
Summer	Apr. 1 – July 31	Nov. 1

# Academic Standards of Progress

To complete the requirements for degree conferral, a student will need to maintain a grade point average that meets or exceeds a minimum Standard of Progress. Academic Standard of Progress standing is based on cumulative GPA. The Standard of Progress stipulated in this catalog may remain in effect for seven years from the date of matriculation. If the Standard of Progress is amended during this period, the student is subject to the conditions of the prevailing practice effective at that time.

## Academic Standing – Undergraduate

Students meeting academic Standard of Progress are considered in Good Standing. A student in Good Standing must satisfy all degree requirements, including but not limited to, maintaining a major GPA of 2.5 or higher, in order to be conferred. If a student is not meeting the minimum Standard of Progress they will be placed on Academic Warning, Probation, or Suspension. See the corresponding table to determine academic standing.

## Undergraduate Minimum Standard of Progress

	Cumulative GPA		Academic Standings
	< 2.0	> 2.0

Students placed on academic suspension may appeal. If the appeal is approved the student may continue in their course of study as long as the academic conditions of the appeal are met or until the student's cumulative GPA is at or above good standing.</i>

**Academic Warning** is an action reminding a student that graduation is impossible unless the academic record is improved. If an academic session is completed with a cumulative grade point average (GPA) less than the 2.0 required for graduation they will be placed on Academic Warning.

**Academic Probation** is an action that occurs if a student does not meet the cumulative 2.0 GPA two consecutive terms.

Students must contact their Student Coach (Academic Advisor) to determine the exact number of hours and GPA needed to return to Good Standing before enrollment in the next session.

Students placed on Academic Probation are not permitted to participate in organized University activities except as part of class work.

**Academic Suspension** is an action that occurs if a student does not meet the cumulative 2.0 GPA three consecutive terms.

Students suspended from Bellevue University will not be re-admitted for a period of 12 months. This one-year period

begins at the end of the last session of enrollment prior to suspension.

## Graduate Academic Performance Standards (Master's and Doctoral)

The completion of a master's degree program requires an overall GPA of 3.0 or better is maintained in the program. Master's degree students are required to have no individual course below a 2.0. Only courses in which a 2.0 or better is earned will be used to meet graduate degree requirements. Guidelines may be obtained from an Student Coach (Academic Advisor).

## Academic Standing – Graduate

3rd Consecutive Term with Cumulative GPA Below 3.0	Suspension	Good Standing	If the consecutive term is completed with a cumulative GPA less than the minimum standard of progress for graduation (3.0) a student may be placed on academic suspension. Students placed on academic suspension may appeal. If the appeal is approved the student may continue in their course of study as long as the academic conditions of the appeal are met or until the student's cumulative GPA is at or above good standing.

**Academic Warning** is an early intervention status action reminding a student that graduation is not possible unless they are meeting master's academic standard of progress and academic record is improved.

**Academic Probation** is an action taken when a student must raise their cumulative GPA to 3.0 to qualify for graduation. While on Academic Probation, they may not register for more than the minimum number of hours recognized by the University as constituting full-time status for a term.

**Academic Suspension** is an action taken when cumulative

GPA falls below the Graduate Minimum Standard of Progress. Students suspended from Bellevue University will not be re-admitted for a period of 12 months. This one-year period begins at the end of the last session of enrollment prior to suspension.

### Academic Standing – Doctoral Graduate

Doctoral students on academic probation must raise their cumulative GPA to 3.0 in order to qualify for degree conferral. While on probation, they cannot register for more than the minimum number of hours recognized by the University as full-time status for a term. Additional information may be obtained from an Student Coach (Academic Advisor).

**Academic Suspension** is an action that occurs if a student does not meet the cumulative 3.0 GPA required for graduation after taking 9 additional hours of coursework while on Academic Probation. Students suspended from Bellevue University will not be re-admitted for a period of 12 months.

This one-year period begins at the end of the last term of enrollment prior to suspension.

### Academic Suspension Appeal for Undergraduate and Graduate Students

If a student is placed on Academic Suspension, they have 15 days to file a written appeal if they wish to be re-admitted before the 12 month suspension period has ended.
